

Ethics-Proctor/Evaluator Classes

I wanted to let everyone know that we are in the process of scheduling Ethics-Proctor/Evaluator classes throughout Nevada.

I will send course announcements out for the remaining classes as I get them scheduled. We will be completing these classes in April, May and June and should give everyone an opportunity to attend a class.

We will also look into scheduling some classes in the fall.

These classes are mandatory for anyone who wishes to be a Proctor/Evaluator. All Proctor/Evaluator certifications will expire on December 31, 2018.

The Ethics course is a new requirement to be a Proctor, Evaluator and for anyone becoming a Fire Service Instructor.

Feel free to contact me with any questions.

Sincerely,

Tom Martinez
