Quad-County COVID-19 Update: One Death, Eight New Cases, and Five Recoveries
(Carson City, NV)- Carson City Health and Human Services (CCHHS) is reporting an additional death due to COVID-19 in the Quad County Region. The individual was a male Douglas County resident in his 80’s with underlying conditions. There also eight new cases and five additional recoveries of COVID-19 in the Quad-County Region. This brings the total number of cases to 803, with 633 recoveries, and fifteen deaths, 155 cases remain active.

The new cases are:
- A male Lyon County resident under the age of 18 with a connection to a previously reported case.
- A female Lyon County resident in her 60’s with no connection to a previously reported case.
- A female Carson City resident in her 2’s with a connection to a previously reported case.
- A female Carson City resident under the age of 18 with no connection to a previously reported case.
- A female Douglas County resident in her 30’s with no connection to a previously reported case.
- A female Lyon County resident in her 50’s with a connection to a previously reported case.
- A female Lyon County resident in her 30’s with no connection to a previously reported case.
- A male Lyon County resident in his 20’s with a connection to a previously reported case.

Carson City Health and Human Services is working to identify close risk contacts to prevent further spread of the disease. Due to medical privacy requirements and to protect their identity, no further information about the cases will be released.
