

# Jim Reinhardt

---

I am sorry to advise that retired District Chief Jim Reinhardt passed away early Sunday morning.

Chief Reinhardt was the District Chief here in East Fork from 1995 to 2000. Prior to his service with the district, Chief Reinhardt has a long and successful career with the Nevada Division of Forestry. Jim will always be remembered for his ability to manage and plan wildland fire suppression, having served as a Type II Incident Commander on Sierra Front IMT. He was a good man and one who had a passion for this profession.

Services are schedule for a future date in the fall. We have been asked to participate in his service. Once we have additional details on his service we will forward to all.

Our sympathy goes out to his wife Karen and his children, as well as his three brothers, most notably his brother Joe, who many of us hold in the same high level of respect that we had for Jim.
