- In 2006/07, after the tax cap in 2005/06, all Douglas County Entities increased their tax rate to capture taxes on new construction.
- In 2008/09, EFF annexed Sierra Forrest Fire Protection District, which amended the rate for residents of the SFFPD.
- In 2011/12, The County Commission reduced the District's tax rate to help Douglas County with shortfalls they were facing with "Great Recession".
- In 2015/16, the District annexed Paramedic District to create a single all-risk fire protection district and pave the way to an independent Board of Directors
