Battalion Chief Troy Valenzuela stated it has been quite the ride but wouldn't have it any other way. He had opportunities to go to other agencies, but he chose to stay with East Fork Fire. He stated he is happy to be with East Fork Fire and will finish his career here. East Fork Fire is home to him. He thanked many people including District Fire Chief Tod Carlini for his friendship and their support. He stated East Fork Fire means a lot to him. He thanked his family for their support and the many sacrifices they have made. He thanked the Board of Directors.

District Fire Chief Carlini stated it is rare for individuals to work through an evolution of an organization. It is nice to see people like Battalion Chief Valenzuela rise to the top and start leading that evolution. Battalion Chief

Valenzuela has jumped into all the positions he has held, headfirst and does not stop. There have been challenges and disagreements along the way, but it's all about the organization, progress and moving the organization forward. He stated Battalion Chief Valenzuela has a good reputation for getting things done. All three East Fork Fire Battalion Chiefs are strong individuals with the mission to get things done. Battalion Chief Valenzuela has a great work ethic and is a detail oriented individual. Many projects are given to Battalion Chief Valenzuela because of his efforts. 8. For Possible Action. Discussion and possible action on the naming of the East Fork Fire Protection District Training Center. (Board Secretary, John Bellona) 15 minutes.

Secretary John Bellona stated he knew Battalion Chief Scott Fraser (ret.) for a long time. He recalls going on a project with Battalion Chief Fraser (ret.) when Battalion Chief Fraser (ret.) inquired why East Fork Fire didn't have a training center. He explained Carson City has the regional fire training center. Over the years and through training Battalion Chief Fraser (ret.) expressed the need

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

for a training center here. Battalion Chief Fraser (ret.) had pushed for a training center since he was a volunteer, suggesting the District try to obtain a grant. There were so many other priorities and the training center continued to be pushed to the back burner. The training center is now happening and with the passing of Battalion Chief Fraser (ret.) he contacted District Fire Chief Carlini to request the training center be named after Battalion Chief Fraser (ret.).

District Fire Chief Carlini stated Battalion Chief Fraser (ret.) was passionate about incident management/command and training. Battalion Chief Fraser (ret.) was a Training Captain for many years. He loved to teach, train and arrange training exercises. He stated when Secretary Bellona approached him with the request to name the training center after Battalion Chief Fraser (ret.), there wasn't any hesitation. He supports the training center be named after Battalion Chief Fraser (ret.) and believes this is the right thing to do.

Director Bernard Curtis agreed with the request.

Director Mike Sommers asked what the actual title of the training center would be.

District Fire Chief Carlini stated the long-term plan would be a structure that could accommodate structural firefighting training. When the building was built in 1994, there was a drawing that identified a location for a training facility. The bigger vision is to establish different training props around the property. He believes at some point the goal is for the area to be a complete training center. He feels training center or facility would be appropriate.

There was discussion on the appropriate name.

Secretary Bellona stated it's a facility for the men and women of East Fork Fire.

There was additional discussion on the appropriate name.

Director Sommers stated he believes it is a facility more than a center. A center is physical location but a facility is offered for everyone to utilize.

Kevin May, President for East Fork Fire Professional Firefighters stated the definition of facility leans a little more towards what Director Sommer's is saying.

President Jacques Etchegoyhen opened public comment.

Adam Wennhold, East Fork Fire Professional Firefighters Association stated the Association is in support of this. In 2005, he completed the first entry level

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

firefighter class taught by Battalion Chief Fraser (ret.) and he is grateful to Battalion Chief Fraser (ret.)

Tom Hein, President for East Fork Volunteer Firefighter Association stated the Volunteer Firefighter Association is in support of this.

There was no further public comment.

Public comment closed.

Director Barbara Griffin stated Battalion Chief Fraser (ret.) had a big heart and did everything he did with so much sincerity and commitment. He was always supportive of everyone. She is grateful Secretary Bellona brought this forward and feels this is appropriate. She is in support of this.

Director Sommers asked for the motion to be repeated.

President Jacques Etchegoyhen stated this is a wonderful thing for the District.

Director Mike Sommers asked Director of Finance Kathy Lewis if the District is still on track to receive 100% payments for the various taxes by June 30, 2023.

Director of Finance Lewis stated she and District Fire Chief Tod Carlini have been watching this closely. The sales tax payment appears to close to project, but the real property transfer tax and governmental service tax are not meeting projection. She stated the real property transfer tax comes quarterly and appears it will come in lower than what was projected.

Director Sommers clarified the collections through March do not have the 1st quarter tax payment.

5. For Possible Action. Discussion and possible action to approve the District’s annual worker’s compensation insurance package as provided by 7710 Insurance for FY 23/24 at an annual cost of \$872,931 and to authorize the District Chief to sign all related documents. (Tod F. Carlini, District Fire Chief) 20 minutes.

District Fire Chief Tod Carlini presented the PowerPoint (included in the Board packet).

District Fire Chief Carlini reported the District has been exploring a single option outside of the current worker’s compensation insurance provider POOL/PACT. Jared Rossi with LPC Insurance, representatives with 7710 and Wayne Carrison with POOL/PACT are in attendance. A lot of consideration was put into this decision. If the Board does not want to approval to move ahead with 7710, the District will continue with POOL/PACT.

Below is the PowerPoint presentation outlining the comparison of the worker’s compensation services between POOL/PACT and 7710:

Basic Philosophy:

- PACT:
 - “A core philosophy at POOL/PACT is that sound risk management practices can reduce the frequency and severity of claims. We are committed to helping our members manage their losses and we offer a variety of resources—including publications, webinars, and online courses--to help you do so. As a member driven organization, the services offered are developed by and tailored

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

specifically to the needs of you, the member.” (Source: PACT Website)

- 7710:
 - “We focus completely on one thing and one thing only...providing superior workers’ compensation insurance for your fire and/or EMS operation. We provide a unique underwriting approach that is based on our firefighter/management expertise in loss prevention, safety and claims management. Our focus allows us to provide you with a long term, stable partner for your workers’ compensation needs.” (Source: 7710 Website)

Claims Processing Time:

- PACT:
 - “Claims management is provided by Davies Claims Solutions. Headquartered in Nashville, Tennessee, Davies Claims Solutions is an integrity-based, quality driven third-party administrator. With offices located strategically throughout the United States, Davies Claims Solutions has offered multi-line property and casualty claims management services to a wide range of organizations for over 30 years.” (Source: PACT Website)
- 7710:
 - Contact is made with injured employee and Fire District within 24-48 hours after a claim number is assigned to the claim. 7710’s Care Team is designed to oversee the third-party administrators and to interact directly with the employee, insured and the TPA. This increases communication between all parties leading to better claims results for all parties involved.
 - 7710 closes their claims in a shorter time than the industry average. This gets the employee back to work earlier and saves on premiums.

Costs:

- PACT:
 - Based on Estimated Payroll: \$1,433,120
 - Calendar Year 2022 Payroll
- 7710:
 - Based on Estimated Payroll: \$872,931
 - Calendar Year 2021 Payroll

Director of Finance Lewis explained what is budgeted for next year is not based on the quote given, it is based on the individual rates per classification and modification factor. Workers' compensation is capped at the first \$36,000 in wages. Both quotes were based on the payrolls provided but does not reflect how the District would budget next year. The budget will be based on the expected personnel at the \$36,000.

Director Sommers asked if the District calculated what the exposure would be for the next budget year utilizing 7710 rates.

Director of Finance Lewis stated she did not. She calculated the total cost savings.

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

Director Sommers confirmed the costs for next year with 7710 has not been budgeted.

Director of Finance Lewis stated she has not, but does think it will be higher than the calculation for 2021 at \$872,931.

Director Sommers asked how much higher.

Director of Finance Lewis stated between using the rates and modification factor, the savings would be approximately \$470,000.

Staff Recommendation and Questions:

- Staff's recommendation: To approve the District's annual worker's compensation insurance package as provided by 7710 Insurance for FY 23/24 at an annual cost of \$872,931.00.

Secretary John Bellona stated he understands there is an issue with the wait time for diagnostic testing. No matter what carrier the District decides to go with, the issue regarding the wait time for diagnostic testing needs to be addressed. What has 7710 done to show that issue will not continue. And do they go to Nevada State Hearing Officers for any contested claims?

District Fire Chief Carlini referred the questions to 7710 representatives.

Mr. Bill Wahl, Vice President of Marketing and Business Development for 7710 stated Sandra Jones, Director of Claims and Bill Adamson, CEO are both online to answer or address any questions.

Sandra Jones, Director of Claims thanked the Board for their time. The difference with 7710 is they have a care claims team (Ready Rebound). If there are issues with employees or the HR Director not being able to get a question answered regarding a claim, they can contact the cares team. She has almost 30 years' experience and the team has many years of experience and willing to do whatever is needed to help things move along.

Bill Adamson, CEO thanked the Board for their time. They are focused on getting injured first responders back to work as soon as possible.

Director Sommers asked who the TPA is for 7710.

Bill Adamson stated the TPA for 7710 is Benchmark Administrations. They are the Trean claims department.

Director Sommers asked if there is a 24-hour nurse that evaluates the claims as they come in.

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

Sandra Jones stated there is not a 24-hour nurse to evaluate a claim.

Director Sommers asked how often would the District receive communication and reports on all open claims, and establishments and/or changing of reserves.

Sandra Jones explained if a reserve change is made over \$20,000 an update would be sent via email. Regarding claim reviews, it can be customized to the client's preference. The team reviews all claims regularly to make sure all steps are being addressed in addition to the adjuster handling the claim. This is done until the claim closes or to ensure the claim is moving in the right direction.

Jared Rossi, LP Insurance stated the carrier, TPA or both will take part in the hearing and appeals process if a claim goes to that level.

Secretary Bellona confirmed the appeal process takes place in Nevada.

Jared Rossi stated yes.

Jared Rossi explained at this time, open claims are reviewed monthly.

Director Sommers asked who reviews the reports.

Director of Administrative Services Owen stated she and District Fire Chief Carlini review the reports.

Director Sommers asked 7710 how they determine the rate.

Bill Adamson explained that 7710 are members of NCCI, which is a rating bureau for the insurance industry for workers comp. They promulgate rates for each state and the insurance department approves those rates.

Director Sommers confirmed POOL/PACT does not utilize NCCI rates.

District Fire Chief Carlini stated that is his understanding.

Director Sommers stated in the Mod factor calculations and utilizing exposure, is 7710 utilizing the wages paid or the exposed wage to determine the Mod factor.

Bill Adamson confirmed with Director Sommers that he is referring to the experienced mod.

Director Sommers stated that is correct.

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

Bill Adamson explained experienced mod are claims taken from the past four years, dropping the most current year and that determines by formula the experience mod. If the experience is 10% worse than the average, then it would be 110, 10% better than average 90 and average is 1.0. That gets adjusted annually based on the losses from the prior three-year period.

Director Sommers asked if it is loss rate, compared to losses, compared to wages paid or is it losses compared to exposure, which in the State of Nevada is \$36,000 per employee.

Bill Adamson stated the Mod is part of the calculation and explained the process.

Sandra Jones stated the wages are based on audited payrolls, which would be the \$36,000.

Director Sommers asked if the scheduled modification is the adjustment determined necessary in order to keep the fixed premium policy at a whole.

Bill Adamson stated it's based on the risk control assessment and other factors.

Director Sommers asked if 7710 utilizes stop loss gap.

Bill Adamson stated there is no stop loss involved. That is a health care issue. He stated 7710 does not purchase stop loss reinsurance.

Director Sommers confirmed there is no cost for stop loss built into the rate.

Bill Adamson stated schedule modification are based on exposures not because of reinsurance purchase.

Director Sommers asked if 8810 is part of the current year rate versus the 7710 rates.

Jared Rossi stated that is correct. 8810 has been added on an infinite basis and there is no payroll associated with it. If during the audit it is determined, they will shift any payroll to that class code and if it creates a credit it will be returned.

6. For Possible Action. Discussion and possible action to adopt revisions to Policy #607.7 Retirement Health Reimbursement Arrangement (rHRA) which funds individual rHRA accounts for non-represented, full-time employees, and defines criteria to provide annual tax-free contributions. (Lisa Owen, Director of Administrative Services) 10 minutes.

Director of Administrative Services Lisa Owen stated policy 607.7 funds individual rHRA accounts for non-represented, full-time employees, and defines criteria to provide annual tax-free contributions.

She stated last year there was a change in the contribution rate the Board approved. The goal the District continues to maintain is when the represented employees are able to negotiate a contract and change the contribution rate for the rHRA, the District applies the same benefit to the non-represented employees. During the last negotiations, that ended a few months, it was approved for an increase of the contribution rates. A redline of the policy was provided showing the changes being made to the policy.

Director of Administrative Services Owen stated she noticed a correction that needs to be made.

Below is the recommended correction:

- The contribution effective date reads January 2023 and it should read January 2024.

Director Mike Sommers asked why can’t this coverage be unified so it wouldn’t have to come before the Board each year if it parallels the CBA contract.

Director of Administrative Services Owen stated she would like to refer the question to Legal Counsel Mark Forsberg but explained something can be added to the policy stating it doesn’t need to come before the Board unless it exceeds a certain amount.

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

Director Sommers stated he feels the Board would understand if it is being negotiated under the CBA, that this benefit for non-represented would follow so it doesn't need to come before the Board.

Legal Counsel Forsberg stated if that is agreed upon then there would be an obligation to follow this policy for the benefit of the people subject to the policy and there may come a time when the Board doesn't want to do it.

District Fire Chief Carlini stated he appreciates what Director Sommers is saying but this may be a challenge. There may be a time in the negotiation process where a benefit is taken away or reduced to gain another benefit. They have the ability to negotiate where others do not.

Legal Counsel Forsberg stated there are many times in negotiations where the bargaining unit emphasizes one benefit over another. The non-represented employees don't have that opportunity.

Director of Administrative Services Owen stated the policy gets reviewed every three years so if there are changes the Board would like to make to the policy, it can be done at that time.

President Etchegoyhen opened public comment.

7. For Possible Action. Discussion and possible action to approve the District's transfer of a \$30,000 donation from United Way to Douglas County with the expressed purpose of purchasing a vehicle for the Citizens Emergency Response Team (CERT) program. (Tod Carlini, District Fire Chief) 15 minutes.

**EAST FORK FIRE PROTECTION DISTRICT BOARD
MEETING OF JUNE 20, 2023**

District Fire Chief Tod Carlini stated several years ago United Way donated \$30,000 to the District for the purpose of purchasing a vehicle for Citizens Emergency Response Team (CERT) program. At the time of the donation the District was the Chief Administers for the CERT program through the Emergency Management contract. The Emergency Management contract will soon be in the control of Douglas County so the District will not be able to purchase the vehicle and still has the \$30,000. It's important the money be used for its intended purpose, which is to purchase a vehicle for CERT and the recommendation is there be a condition of transfer before it goes to the County.

Director Mike Sommers asked if the District can hold the funds until Douglas County purchases the vehicle.

District Fire Chief Carlini stated yes. He explained the donation was accepted waiting for the purchase of a vehicle. United Way was notified the donation would be used for CERT.

Director Sommers stated he wants to make sure the funds are used for the purchase of a vehicle for CERT. He stated it is similar to grants and Douglas County holding funds until equipment is purchased and then funds are distributed.

President Jacques Etchegoyhen opened public comment.

President Etchegoyhen stated he agrees and feels holding the funds until the purchase is made, makes for a clean process.

(Tod F. Carlini, District Fire Chief) 10 minutes.

District Fire Chief Tod Carlini stated an update summary of bills was provided as backup. Adam Wennhold will review the information he provided that he feels the District should be aware of.

Engineer Adam Wennhold stated the biggest change since Friday, June 16th is the Governor vetoed AB 172 which applies to School Districts. The other vetoes of importance to the District are bills related to EMS, sponsored by Assemblymen Gray, which unfortunately didn't move forward and failed passage in the alternate house.

District Fire Chief Carlini requested Legal Counsel Mark Forsberg review AB 219 to SB 261 to see if there is any impact to the District.

He thanked Engineer Wennhold for his monitoring of the various legislation and hard work. The District has had services of professional lobbyist in the past and Engineer Wennhold is exceeding their work.

2. **Recommended Motion:** Motion to accept the report on state consolidated taxes collection and distribution as of April 2023.

7. **Background Information:** The attached report reflects the state consolidated taxes collected for Douglas County and the distributed share to the District. Monthly, the state collects, consolidates and distributes 6 different taxes to each county and each appropriate district within that county. In FY 22/23, Douglas became a non-guaranteed county. This means the Supplemental City-County Relief Tax (SCCRT) distributed to Douglas County entities will be based on actual collections and not a guaranteed amount. A chart has been included showing the historical fluctuations of the SCCRT for non-guaranteed counties.

The six consolidated taxes are as follows:

- **BCCRT** – Basic City County Relief Tax, 1/2% of statewide sales/use tax. Distributed to the county where the sale was made. For out-of-state companies, BCCRT is distributed based on population.
- **SCCRT** – Supplemental City-County Relief Tax, 1.75% of statewide sales/use tax. Total distribution is proportionate to the amount of in-state collections as a whole, after guaranteed counties have received their allocation.
- **Cigarette** – Collected statewide and distributed to counties based on population.
- **Liquor** – Collected statewide and distributed to counties based on population.
- **RPTT** – Real Property Transfer Tax, tax based on value of real property transfers and distributed to county of origin.
- **GST** – Government Services Tax, tax based on value of motor vehicle and distributed to county of origin.

AGENDA ACTION SHEET

1. **Title: For Possible Action.** Discussion and possible action to approve the District's annual property and liability insurance package as provided by Warren Reed Insurance representing Volunteer Fireman's Insurance Services at an annual cost of \$213,785. (Tod F. Carlini, District Fire Chief) 15 minutes.
2. **Recommended Motion:** Motion to approve the District's annual property and liability insurance package as provided by Warren Reed Insurance representing Volunteer Fireman's Insurance Services at an annual cost of \$213,785.
3. **Funds Available:** Yes **Amount:** \$213,785
Fund Name: Operations **Account Number:** 650-251-520-079
4. **Prepared by:** Tod F. Carlini, District Fire Chief
5. **Meeting Date:** July 18, 2023 **Time Required:** 15 minutes
6. **Agenda:** Administrative Agenda
7. **Background Information:** The administration is recommending approval of the FY 23/24 Property and Liability Insurance Package as provided by Warren Reed Insurance, Inc. Mr. Alan Reed serves as the District's Agent and Broker for the insurance policies. The insurance provider is Volunteer Fireman's Insurance of York, Pennsylvania. Two policies are included in this package, General Liability Policy and Property Loss Policy at a cost of \$120,288, covers 16 properties and provides loss and liability protection to the Board, the Administration, Employees, and Volunteers. The Business Auto Policy covers vehicles at a cost of \$93,497. The total cost for FY 23/24 is \$213,785. The District has added 5 additional employees and several new vehicles, which are partly responsible for the increase. The administration, with the Board's approval will be removing certain pieces of apparatus from coverage in the future that are no longer in service and set for disposal. The District will also be adding some new units in the fall of this year. Over the past several years, the District has reduced the number of vehicles by 17%. Mr. Reed has worked hard to achieve this result. All local government insurance rates have seen increases. Additionally, and over time, the District has increased the number of new vehicles in its fleet, thus increasing the value of insurable costs. The entire insurance package is available for inspection and on file at the East Fork Fire Protection District Office, 1694 County Road, Minden, Nevada. A copy of the policy will also be available for the meeting and public inspection. The administration is recommending approval. Mr. Alan Reed will attend the meeting and review the policy with the Board. The District has enjoyed a very productive and professional relationship with Warren Reed Insurance over the years. The District has solicited proposals in prior years from other carriers, including POOL and FAIRA. Neither could match the cost provided nor the level of service and the suite of insurance benefits, including extending coverages to our volunteer groups and personnel.

RISK CONTROL POLICYHOLDER NOTICE

Dear VFIS Client,

Safety and health is a major concern in emergency service organizations today. These issues are important because of the major impact that accidents can have on an organization. Morale can often be affected as well as an organization's finances. Insurance rarely covers all the expenses associated with accidents. There are often hidden costs that the organization must bear such as time spent reporting, documenting and investigating the accident, time spent training the replacement staff and time to replace the vehicles and equipment.

Risk Control Guidelines Provided by VFIS

As a valuable service to you, VFIS provides risk control guidelines and programs to your organization in an effort to help you prevent and/or reduce the impact of accidents. Implementing VFIS risk control measures could benefit your organization by reducing or eliminating the hidden costs of accidents while helping your organization to continue to serve your community.

VFIS provides a number of programs and services to help you in your risk control effort. While most of these services are available to our clients at no additional cost, some may require a fee based on the scope of the service requested. Risk Control Publications

VFIS has many resources that you can access at no charge on our Web site.  - (1) Breakdown;
 - (2) Repair;
 - (3) Servicing;
 - (4) "Loss"; or

- d. For the purpose of this coverage, Paragraph d. of **B.5., Other Insurance**, is deleted. The temporary substitute "auto" is deemed to be a covered "auto" you own and with no consideration of or contribution from other valid and collectible insurance for the "auto".

FORESTRY VEHICLES AND FORESTRY EQUIPMENT

8. Any "auto" that is a "forestry vehicle" and is not scheduled for physical damage is a covered "auto". Any equipment that is "forestry equipment" and is installed on a covered "auto" is covered equipment. For the purpose of this extension, "forestry vehicle" means an "auto" you don't own, used for firefighting purposes, that is on loan to you from a state agency under the Federal Excess Personal Property program or any similar program. "Forestry equipment" means any firefighting equipment you don't own that is on loan to you from a state agency under the Federal Excess Personal Property program or any similar program and is installed on an "auto" you own or on a "forestry vehicle".

The following replaces paragraph **C. Limit of Insurance**:

The most we will pay for "loss" to a "forestry vehicle" or "forestry equipment" in any one "accident" is the lesser of:

- a. The actual cash value of the damaged or stolen property as of the time of the "loss"; or
- b. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss". No payment will be made under this extension unless the damaged or stolen property is actually repaired or replaced. Repairs to or replacement of the damaged or stolen property with the same kind of property must be done within a year of the date of "loss". If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

For any Comprehensive "losses" covered by this extension, we will use the smallest Comprehensive deductible applying to any of your scheduled "autos". For any Collision "losses" covered by this extension, we will use the smallest Collision deductible applying to any of your scheduled "autos".

We shall have no salvage rights to any "forestry vehicle" or "forestry equipment".

2. The following revisions are made to **Section III - Physical Damage Coverage**:

AIRBAG COVERAGE

- a. The exclusion for "loss" caused by mechanical breakdown in sub-paragraph **3.a. of B. Exclusions** does not apply to the accidental discharge of an airbag.

FREEZING COVERAGE ON EMERGENCY VEHICLES

- b. The exclusion for "loss" caused by freezing in sub-paragraph **3.a. of B. Exclusions** does not apply to permanently attached special equipment common to a firefighting or rescue vehicle caused by freezing, unless the "loss" is caused by your failure to properly maintain such equipment. Such equipment shall include but is not limited to pumps, gauges and tanks. In no event will the "loss" to a vehicle's engine caused by freezing be covered by this policy.

CUSTOMIZED VEHICLE EXTENSION

- c. For scheduled customized covered "autos" not covered on an agreed value basis that are owned by your law enforcement, firefighting, ambulance and/or rescue organization, the following is added to paragraph **C. Limit Of Insurance**:

5. We will pay the additional repair or replacement costs necessary to customize the damaged "auto" with permanently installed equipment of like kind and quality, without deduction for depreciation. We will also include the cost of installation onto a replacement "auto" if the covered "auto" is not repairable. Permanently installed means equipment that is permanently installed in the covered "auto" at the time of the "loss" or equipment that is removable from a

housing unit which is permanently installed in the covered "auto" at the time of the "loss", and such equipment is designed to be solely operated by use of the power from the "auto's" electrical system, in or upon the covered "auto". This customization will include, but is not limited to, the following:

- b. light bars and sirens,
- c. permanently installed communications equipment, Global Positioning Systems (GPS), traffic signal control systems, electronic license plate readers, and radar equipment, and
- d. computer or electronic equipment that receives or transmits audio, visual or data signals.

In addition, we will pay for property owned by you that is permanently installed in an "auto" not owned by you.

DEDUCTIBLE WAIVER

- d. The following is added to paragraph **D. Deductible**:

Regardless of the number of covered "autos" suffering a physical damage "loss" while engaged in a single law enforcement, firefighting, ambulance and/or rescue emergency, only one deductible, the largest, shall apply to the entire event.

BUSINESS AUTO COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERED AUTOS

SECTION II – COVERED AUTOS LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Covered Autos Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed, we will:

- (1) Increase the Limit of Insurance for Covered Autos Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit Of Insurance for Covered Autos Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Covered Autos Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option, we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceals or misrepresents a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Covered Autos Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own; or
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Covered Autos Liability Coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and
- (5) Anywhere in the world if a covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less,

provided that the "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada, or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

- 2. Any claim or "suit" by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

"Covered pollution cost or expense" does not include any cost or expense arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

- a. That are, or that are contained in any property that is:
 - (1) Being transported or towed by, handled or handled for movement into, onto or from the covered "auto";
 - (2) Otherwise in the course of transit by or on behalf of the "insured"; or
 - (3) Being stored, disposed of, treated or processed in or upon the covered "auto";
- b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or
- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph **a.** above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

- (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraph **6.b.** or **6.c.** of the definition of "mobile equipment".

Paragraphs **b.** and **c.** above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (b) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement; or
6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

 We will not make a duplicate payment under this coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

E. Changes In Conditions

The Conditions are changed for Uninsured Motorists Coverage as follows:

1. **Other Insurance** in the Auto Dealers and Business Auto Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Motor Carrier Coverage Form are replaced by the following:

If there is other applicable insurance available under one or more policies or provisions of coverage:

- a. **THE MAXIMUM RECOVERY UNDER ALL COVERAGE FORMS OR POLICIES COMBINED MAY EQUAL BUT NOT EXCEED THE HIGHEST APPLICABLE LIMIT FOR ANY ONE VEHICLE UNDER ANY COVERAGE FORMS OR POLICY PROVIDING COVERAGE ON EITHER A PRIMARY OR EXCESS BASIS.**

- b. Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any other collectible uninsured motorists insurance providing coverage on a primary basis.

- c. If the coverage under this Coverage Form is provided:

- (1) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

- (2) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** in the Business Auto and Motor Carrier Coverage Forms and **Duties In The Event Of Accident, Claim, Offense, Suit, Loss Or Acts, Errors Or Omissions** in the Auto Dealers Coverage Form are changed by adding the following:

- a. Promptly notify the police if a hit-and-run driver is involved; and
- b. Promptly send us copies of the legal papers if a "suit" is brought.

Transfer Of Rights Of Recovery Against Others To Us

- a. If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them. However, with respect to an underinsured motor vehicle as defined in Paragraph **b.** of the definition of "uninsured motor vehicle", this condition does not apply.

- b. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

4. The following condition is added:

Arbitration

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages, the "insured" may make a written demand for arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. In this event, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision of the arbitrators will not be binding on the "insured".

 - b. That is an underinsured motor vehicle.  - c. For which an insuring or bonding company denies coverage or is or becomes insolvent; or

- d. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying".

However, "uninsured motor vehicle" does not include any vehicle:

- a. Owned or operated by a self-insurer under any applicable motor vehicle law, except:

EMERGENCY SERVICE ORGANIZATION PROPERTY COVERAGE FORM

Various provisions in this coverage part restrict coverage. Read the entire coverage part carefully to determine rights, duties, and what is and is not covered.

Throughout this coverage part the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION VI. DEFINITIONS.**

SECTION I. COVERAGES

Coverage A. Real Property

We will pay for direct physical loss or damage to "real property" at a "premises" caused by or resulting from any "covered cause of loss". The most we will pay is described under **SECTION IV. WHAT WE WILL PAY.**

Coverage B. Personal Property

We will pay for direct physical loss or damage to "personal property" at a "premises" caused by or resulting from any "covered cause of loss". The most we will pay is described under **SECTION IV. WHAT WE WILL PAY.**

Coverage C. Loss of Income

We will pay for the actual "loss of income" you sustain during the "period of restoration", if your "operations" are interrupted as a result of direct physical loss or damage to "real property" or "personal property" at a "premises" caused by or resulting from any "covered cause of loss". The most we will pay is described under **SECTION IV. WHAT WE WILL PAY.**

Coverage D. Extra Expense

We will pay the necessary "extra expense" you incur during the "period of restoration", if your "operations" are interrupted as a result of direct physical loss or damage to "real property" or "personal property" at a "premises" caused by or resulting from any "covered cause of loss". The most we will pay is described under **SECTION IV. WHAT WE WILL PAY.**

SECTION II. COVERAGE EXTENSIONS

This section adds to or extends the coverage under **SECTION I. COVERAGES**. Each separately numbered provision is referred to as an extension. Except to the extent specifically stated otherwise in an extension:

1. Each extension is limited to direct physical loss or damage caused by or resulting from any "covered cause of loss";
2. The limits in each extension are in addition to the limits applicable to **SECTION I. COVERAGES**; and
3. All other applicable terms and conditions of this coverage form apply to each extension.

1. Ordinance Coverage

When either "replacement cost" or guaranteed "replacement cost" is indicated in the Declarations as applicable to Coverage A, we will pay:

- a. For loss to any undamaged portion of your "real property" caused by the enforcement of any law or ordinance that:
 - (1) Requires the demolition of parts of your "real property" not damaged by a "covered cause of loss";
 - (2) Regulates the construction or repair of buildings or establishes zoning or land use requirements at a "premises"; and
 - (3) Is in force at the time of loss.
- b. The cost to demolish and clear the site of the undamaged part of the property caused by enforcement of a building, zoning or land use ordinance or law; and
- c. The increased cost to repair, rebuild or construct the "real property" caused by the enforcement of a building, zoning or land use ordinance or law, in addition to the "replacement cost" of the "real property" suffering the loss or damage.

The total paid for any "item" under paragraph a. above shall be included within the Coverage A Limit of Insurance applicable to that "item" and shall not increase that limit. The most we will pay under paragraphs b. and c. above shall not exceed 100% of the amount paid under this coverage part for the initial direct physical loss or damage to that "item".

Under this extension, we will not pay any costs:

- (a) Due to an ordinance or law that was in effect before the loss or damage occurred, and with which you failed to comply even though you were required to do so;
- (b) Associated with "remediation expenses"; or
- (c) Due to "fungus", wet rot, dry rot or bacteria.

2. Debris Removal Expenses

We will pay your debris removal expenses if they are reported to us within 180 days after the date of direct physical loss or damage. Debris removal expense means expense you incur in removing debris of covered "real property" or covered "personal property" from a "premises" after direct physical loss or damage caused by or resulting from any "covered cause of loss". Debris removal

expense does not include "remediation expenses" or any expense related to the removal of "fungus", wet rot, dry rot, bacteria or asbestos.

3. Supplementary Provisions for Coverage C. Loss of Income and Coverage D. Extra Expense

- a. Coverages C and D will apply if you have direct physical loss or damage covered under Coverage A or B to new buildings, additions or alterations to existing buildings, or associated equipment and supplies at a "premises". If a direct physical loss or damage delays the start of your "operations" at the new building, addition, or alteration, Coverages C and D will be determined from the date your "operations" would have begun if the direct physical loss or damage had not occurred.
- b. Coverages C and D will apply if your fund-raising activities are interrupted as a result of direct physical loss or damage to "real property" or "personal property" not owned by you from a "covered cause of loss" at any site used for your fund-raising activities.
- c. If property not at a "premises" is damaged by a "covered cause of loss", and as a result, a government agency prohibits you from using a "premises", Coverages C and D will apply for up to two weeks from the date that the loss occurred.
- d. The following will be disregarded in determining the amount of "loss of income":
 - (1) Donations and contributions which are a direct result of the interruption of your "operations" and are received by you during the period of interruption; and
 - (2) Proceeds from fund-raising drives or solicitations which are for your sole benefit and occur as a result of the interruption of your "operations".
- e. If a regularly scheduled fund-raising drive for your sole benefit occurs during the period of interruption, the revenue produced by such drive will not be considered as income unless the results of the drive fail, because of the interruption of your "operations", to produce an amount at least equal to the same drive in prior solicitations. If the regularly scheduled fund-raising drive is canceled or postponed, such loss of revenue will not be considered as a "loss of income".
- f. If Coverage C or D applies, we will extend Coverage C or D up to 30 consecutive days after the damaged property is repaired or replaced or to the date you could restore your "operations", with reasonable speed, to the condition that would have existed if no direct physical loss or damage occurred, whichever comes first.

4. Preservation of Property

If it is necessary to move "real property" or "personal property" from a "premises" to preserve it from direct physical loss or damage by a "covered cause of loss", we will pay for any direct physical loss or damage to that property:

- a. While it is being moved or while temporarily stored at another location; and
- b. Only if loss or damage occurs within 90 days after the property is first moved.

5. Personal Property Off Your Premises

- a. If there is a direct physical loss or damage to your covered "personal property" while it is away from your "premises", we will pay that covered loss. The most we will pay in any one occurrence is the greater of:
 - (1) The highest Limit of Insurance for Coverage B shown in the Declarations; or
 - (2) \$25,000.
- b. Any amount we pay is included in and is not in addition to the Coverage B limit shown in the Declarations, except to the extent the amount under a.(2) exceeds the Coverage B limit.
- c. This extension does not apply to any portable equipment. Portable equipment means portable firefighting, ambulance, or rescue related equipment, including portable communications equipment, commonly used in fire and rescue operations away from your "premises".

6. Newly Acquired or Under Construction Real Property and Related Personal Property

- a. "Real property" you buy, lease, rent, or construct, including temporary structures such as scaffolding, construction forms, falsework, or cribbing at the job site, will be covered under Coverage A as provided in this extension. "Personal property" you acquire in connection with the "real property" described above will be covered under Coverage B as provided in this extension.
- b. Coverage A or B applies only if your newly acquired or under construction "real property" is intended for similar use as an "item" described in the Declarations and you acquired it or began construction of it after this policy period began.
- c. The most we will pay under this extension is:
 - (1) \$2,500,000 in any one occurrence under Coverage A; and
 - (2) \$500,000 in any one occurrence under Coverage B.
- d. In addition to the limit available for "real property" under construction, we will also pay up to \$10,000 for loss or damage to construction materials and equipment that will become a permanent part of the project, while such property is held temporarily away from the construction site, or while in transit or awaiting delivery to the construction site. This property may be your property or, at your option, the property of others for which you are responsible.
- e. You agree to notify us as soon as possible of the value of:
 - (1) Your newly acquired or under construction "real property" and to pay additional premium from the date you acquired or began construction of it; and
 - (2) "Personal property" at the site of newly acquired or under construction "real property" and to pay additional premium from the date you place such "personal property" at the site of newly acquired or under construction "real property".

Coverage provided under this extension will cease at the later of 90 days after you acquire the property or begin construction, or the end of the policy period. However, coverage will cease when this coverage part is cancelled or nonrenewed.

7. Trees, Shrubs, Plants and Lawns

We will pay for direct physical loss or damage to trees, shrubs, plants, and lawns at a "premises" on a replacement cost basis, only if they are damaged or destroyed by fire, lightning, explosion, riot or civil commotion, aircraft, "vehicles", or vandalism and malicious mischief. Replacement of trees, shrubs or plants shall be with trees, shrubs or plants of comparable size and kind, but shall not exceed the cost of replacing them with the largest commonly available transplantable like species of tree, shrub or plant that is usually available or listed in catalogs by nurseries or suppliers for the region in which the covered loss occurred and which can be legally transported on public roads without special permits. The costs of removing the existing tree, shrub or plant and associated cleanup is also included. Diminution of "real property" or "personal property" values resulting from the loss of trees shall not be recoverable as part of the loss settlement.

8. Personal Effects

- a. At your request, we will pay for direct physical loss or damage to "personal effects" caused by or resulting from any "covered cause of loss", provided the "personal effects" are at a "premises".
- b. The most we will pay under this extension in any one occurrence is:
 - (1) The actual "replacement cost" for the "personal effects" of any of your volunteers, "employees", directors, officers, or trustees; or
 - (2) For all other persons, \$1,500 for the "personal effects" of any one person.
- c. This coverage is primary and will apply regardless of any other insurance coverage which may be available to the owner of the "personal effects".
- d. No deductible applies to this extension.

9. Pollution Remediation Expenses

- a. We will pay "remediation expenses" you incur as a result of the actual, alleged, or threatened presence of "pollution conditions" on or from a "premises" described in the policy declarations, but only if the "pollution conditions" result from a "covered cause of loss" occurring during the policy period. However, we will not pay for any expense related to the removal of "fungus", wet rot, dry rot, bacteria or asbestos.
 - (1) You must notify us within 180 days after the date of the "covered cause of loss".
 - (2) The most we will pay under paragraph a. of this extension in any policy period is \$25,000.
- b. We will pay "remediation expenses" you incur as a result of the actual, alleged, or threatened presence of "pollution conditions" on or from a "premises" described in the policy declarations, but only if the "pollution conditions" result from a "specified cause of loss" occurring during the policy period. However, we will not pay for any expense related to the removal of "fungus", wet rot, dry rot, bacteria or asbestos.
 - (1) You must notify us within 180 days after the date of the "specified cause of loss".
 - (2) Subject to paragraph a. (2) the most we will pay under paragraph a. and paragraph b. of this extension in any policy period is \$100,000.

10. Sirens and Antennas

Your "real property", "loss of income" and "extra expense" coverages are extended to include sirens, antennas, towers and similar structures and their associated equipment and structures located away from your "premises". However, this extension applies only to sirens, antennas, towers and similar structures associated with a "premises".

11. Commandeered Property

a. At your request, we will pay for direct physical loss or damage to commandeered property caused by or resulting from any "covered cause of loss". Commandeered property means the following property belonging to someone else:

- (1) "Real property";
- (2) "Personal property";
- (3) "Watercraft";
- (4) All-terrain vehicles;
- (5) Snowmobiles;
- (6) Golf carts;
- (7) Aircraft or its parts, accessories and equipment; and

- (2) The time after return of the commandeered property reasonably necessary to repair or replace the commandeered property, not to exceed 180 days.

These times may extend beyond the policy period stated in the Declarations so long as the direct physical loss or damage to the commandeered property occurred during the policy period stated in the Declarations.

d. The most we will pay under this extension in any one occurrence is the "replacement cost" of the commandeered property, plus loss of use covered by this extension.

e. No deductible will apply to commandeered property belonging to a volunteer, "employee", director, officer or trustee.

16. Equipment Breakdown

- a. We will pay for loss caused by or resulting from an accident to covered equipment.
Accident means direct physical loss as follows:
 - (1) Mechanical breakdown, including rupture or bursting caused by centrifugal force, but excluding the mechanical breakdown of "hardware"; and
 - (2) Explosion, rupture or bursting of steam boilers, steam pipes, steam turbines, steam engines or rotating parts of machinery that you own or lease, or that are operated under your control, but excluding loss or damage caused by a hydrostatic, pneumatic, or gas pressure test of any boiler or pressure vessel; and
 - (3) Loss or damage to steam boilers, steam pipes, steam engines, steam turbines, hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.If an initial accident causes other accidents, all will be considered one accident. All accidents that are the result of the same event will be considered one accident.
Covered equipment means "real property" or "personal property" built to operate under vacuum or pressure, other than weight of contents, or used for the generation, transmission or utilization of energy. However, none of the following are covered equipment:
 - (a) Insulating or refractory material;
 - (b) Sewer piping, underground vessels or piping, piping forming part of a "sprinkler system" or water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming part of a refrigerating or air conditioning system;

 - (d) Any structure, foundation or cabinet supporting or housing covered equipment.
- b. The following coverages also apply to loss caused by or resulting from an accident to covered equipment:
 - (1) Expediting Expenses
With respect to damaged "real property" or "personal property", we will pay the reasonable extra costs to:
 - (a) Make temporary repairs; and
 - (b) Expedite permanent repairs or replacement.

(2) Perishable Goods

We will pay the following:

- (a) Loss of perishable goods due to spoilage.
- (b) Loss of perishable goods due to contamination from the release of a refrigerant, including but not limited to ammonia.
- (c) Any necessary expenses you incur to reduce the amount of loss under this extension. We will pay for such expenses to the extent that they do not exceed the amount of loss that otherwise would have been payable under this extension.

However, we will not pay for loss or damage caused by or resulting from your failure to use all reasonable means to protect the perishable goods from damage following an accident.

Perishable goods means "personal property", maintained under controlled conditions for its preservation, that is susceptible to loss, damage, or spoilage if the controlled conditions change.

(3) Hazardous Substances

We will pay for the additional costs to repair or replace "real property" or "personal property" because of contamination by a hazardous substance, including the additional costs to clean up or dispose of such property. Additional costs means those beyond what would have been required had no hazardous substance been involved.

The most we will pay for loss or damage under the Hazardous Substances coverage, including the actual "loss of income" you sustain, the necessary "extra expense" you incur, and the loss of or damage to perishable goods due to contamination from a hazardous substance is \$25,000 per accident.

Hazardous substance means any substance other than ammonia that has been declared to be hazardous to health by a governmental agency.

(4) Service Interruption

The insurance provided for "loss of income", "extra expense", and perishable goods is extended to apply to loss caused by or resulting from an accident to equipment that is owned by a utility, landlord or other supplier with whom you have a contract to provide you with any of the following services: electrical power, communications, waste disposal, air conditioning, refrigeration, heating, gas, air, water or steam.

- (e) Portable extrication devices, such as jaws-of-life, whether hydraulic or air powered.

c. Conditions

(1) Suspension

When any covered equipment is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an accident to that covered equipment. We can do this by mailing or delivering a written notice of

suspension to your address as shown in the Declarations, or at the address where the equipment is located. Once suspended in this way, your insurance can be reinstated only by written notice from us. If we suspend your insurance, you will get a pro-rata refund of premium. But the suspension will be effective even if we have not yet made or offered a refund. We will not consider firefighting or other emergency service activities, or training related to such activities, as a dangerous condition within the context of this provision.

(2) Jurisdictional Inspections

If any property that is covered equipment under this extension requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspections on your behalf.

- d. Except for the Hazardous Substances limit specified above, the most we will pay for loss or damage under this extension is the applicable Limit of Insurance shown in the Declarations.

17. Fire Extinguishing Equipment Recharge Costs

- a. We will pay the necessary and reasonable cost to recharge or refill your fire extinguishing equipment, including both hand-held extinguishers and fixed automatic extinguishing systems, as a result of:
- (1) Their discharge as a result of a "covered cause of loss"; or

- c. The fire extinguishing equipment must be for the protection of and located at a "premises".
- d. No deductible applies to this extension.

18. Limited Coverage for Fungus, Wet Rot, Dry Rot and Bacteria

- a. The coverage described in 18.b and 18.e. of this extension applies only when the "fungus", wet rot, dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:
- (1) A "specified cause of loss" other than fire or lightning; or
 - (2) "Flood", except if the Flood Exclusion endorsement is attached.
- b. We will pay for loss or damage by "fungus", wet rot, dry rot or bacteria. As used in this extension, the term loss or damage means:
- (1) Direct physical loss or damage to covered "real property" or covered "personal property" caused by "fungus", wet rot, dry rot or bacteria, including the cost of removal of the "fungus", wet rot, dry rot or bacteria;
 - (2) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet rot, dry rot or bacteria; and
 - (3) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is reason to believe that "fungus", wet rot, dry rot or bacteria are present.

- c. The coverage described under 18.b. of this extension is limited to \$25,000. Regardless of the number of claims, this limit is the most we will pay for total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and "flood" which take place in a 12 month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet rot, dry rot or bacteria, we will not pay more than a total of \$25,000 even if the "fungus", wet rot, dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
- d. The coverage provided under this extension does not increase the applicable Limit of Insurance on any covered "real property" or covered "personal property". If a particular occurrence results in loss or damage by "fungus", wet rot, dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected covered "real property" or covered "personal property".

If there is covered loss or damage to covered "real property" or covered "personal property" not caused by "fungus", wet rot, dry rot or bacteria, loss payment will not be limited by the terms of this extension, except to the extent that "fungus", wet rot, dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this extension.

- e. Under Coverage C. "Loss of Income" or Coverage D. "Extra Expense":
 - (1) If the loss which resulted in "fungus", wet rot, dry rot or bacteria does not in itself necessitate an interruption of "operations", but such interruption is necessary due to loss or damage to property caused by "fungus", wet rot, dry rot or bacteria, then our payment under Coverage C and/or Coverage D is limited to the amount of "loss of income" and/or "extra expense" sustained in a period of not more than 30 days. The days need not be consecutive.
 - (2) If a covered interruption of "operations" was caused by loss or damage other than "fungus", wet rot, dry rot or bacteria but remediation of "fungus", wet rot, dry rot or bacteria prolongs the "period of restoration", we will pay for "loss of income" and/or "extra expense" sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

19. Arson Fire Information Reward

- b. Regardless of the number of people who provide information about the arson fire, the most we will pay for all reward payments related to any one arson fire, or series of related arson fires committed by the same arsonist(s), is \$25,000 per loss.
- c. No deductible applies to this extension.

Our reimbursement to you for the arson fire information rewards that you pay does not limit in any way your ability to offer or not offer and pay or not pay rewards for arson fire information related to covered property.

B. Valuation – Coverage A. Real Property

1. If "replacement cost" valuation for Coverage A is indicated in the Declarations or in an endorsement attached to this coverage part, we will not pay more than the Coverage A limit applicable to the lost or damaged "real property". Subject to that limit, we will pay the "replacement cost" of any loss or damage to "real property", less any deductible that applies, so long as:
 - a. The loss or damage to "real property" is actually repaired or replaced;
 - b. The repairs to or replacement of the "real property" are made within one year of the loss or damage;
 - c. The repairs or replacements restore the "real property" to the same use; and

- d. The repairs to or replacement of the "real property" are of the same kind and quality and at the same "premises" as the "real property" suffering the loss or damage, however:
 - (1) You may substitute property of a different kind or quality, but we won't pay more than what it would cost to repair or replace the loss or damage to the "real property" with property of comparable kind and quality; and
 - (2) You may replace the "real property" suffering the loss or damage at a different location, but we won't pay more than what it would cost to replace the loss or damage to the "real property" at the original "premises".
2. a. Subject to the provisions of subparagraphs a. - d. of paragraph 1. above, if guaranteed "replacement cost" valuation for Coverage A is indicated in the Declarations or in an endorsement attached to this coverage part, and the cost to replace loss or damage to "real property" is more than the Coverage A limit accepted by us, we will nevertheless pay the entire "replacement cost" less any deductible that applies.
- b. This guaranteed "replacement cost" provision for Coverage A is contingent on:
 - (1) Your purchasing an amount of insurance accepted and kept on file by us;
 - (2) Your promptly advising us of any changes made to your "real property" which would change the cost to replace it, and adjusting the amount of insurance accordingly; and
 - (3) Your purchasing an amount of insurance on each policy anniversary equal to an adjusted cost figure. This adjusted cost figure will be calculated from the original amount plus any changes made to your "real property" and will be modified by an automatic inflation adjustment factor applicable to your "real property".

C. Valuation – Coverage B. Personal Property

1. If "replacement cost" valuation for Coverage B is indicated in the Declarations or in an endorsement attached to this coverage part, we will not pay more than the Coverage B limit applicable to the lost or damaged "personal property". Subject to that limit, we will pay the "replacement cost" of any loss or damage to "personal property", less any deductible that applies, so long as:
 - a. The loss or damage to "personal property" is actually repaired or replaced;
 - b. The repairs to or replacement of the "personal property" are made within one year after the loss or damage;
 - c. The repairs or replacements restore the "personal property" to the same use; and
 - d. The repairs to or replacement of the "personal property" are of the same kind and quality as the "personal property" suffering the loss or damage.
2. a. Subject to the provisions of subparagraphs a. - d. of paragraph 1. above, if guaranteed "replacement cost" valuation for Coverage B is indicated in the Declarations or in an endorsement attached to this coverage part, and the cost to replace loss or damage to "personal property" is more than the Coverage B limit accepted by us, we will nevertheless pay the entire "replacement cost" less any deductible that applies.
- b. This guaranteed "replacement cost" provision for Coverage B is contingent on:
 - (1) Your purchasing an amount of insurance accepted and kept on file by us;
 - (2) Your promptly advising us of any changes made to your "personal property" which would change the cost to replace it, and adjusting the amount of insurance accordingly; and

- (3) Your purchasing an amount of insurance on each policy anniversary equal to an adjusted cost figure. This adjusted cost figure will be calculated from the original amount plus any changes to the "personal property", and will be modified by an automatic inflation adjustment factor applicable to your "personal property".
3. When guaranteed "replacement cost" applies to Coverage B, "personal property" does not include portable equipment. Portable equipment means portable firefighting, ambulance, or rescue related equipment, including portable communications equipment, commonly used in fire and rescue operations away from your "premises".

D. Valuation – Coverage C. Loss of Income and Coverage D. Extra Expense

1. The amount of the "loss of income" you sustain due to necessary suspension of your "operations" during the "period of restoration" will be based on:
 - a. Your net income before the direct physical loss or damage occurred;
 - b. Your likely net income if no loss or damage occurred;
 - c. The operating expenses, including payroll expenses, necessary to resume your "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - d. Other relevant sources of information, including:
 - (1) Your financial records and accounting procedures;
 - (2) Bills, invoices and other vouchers; and
 - (3) Deeds, liens or contracts.
 - e. We will reduce the amount of your "loss of income" to the extent you can resume your "operations" in whole or in part by using damaged or undamaged property (including merchandise or "stock") at the "premises" or elsewhere.
2. The amount of "extra expense" will be determined based on:
 - a. All expenses that exceed the normal operating expenses that would have been incurred by your "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (1) The salvage value that remains of any property bought for temporary use during the "period of restoration", once your "operations" are resumed; and
 - (2) Any "extra expense" that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - b. All necessary expenses that reduce the "loss of income" that otherwise would have been incurred.
 - c. We will reduce the amount of your "extra expense" loss to the extent you can return your "operations" to normal and discontinue such "extra expense".
3. If you do not resume your "operations", or do not resume your "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume your "operations" as soon as possible.
4. If this policy expires before we have paid you all the "loss of income" or "extra expense" to which you are entitled for direct physical loss or damage that occurred during the policy period, we will continue to make payments after the expiration date.

E. Valuation – COVERAGE EXTENSIONS

1. "Replacement cost" applies to all **SECTION II. COVERAGE EXTENSIONS** unless stated otherwise in the extension, so long as:
 - a. The requirements in **SECTION IV. B. 1.** are met if "real property" is lost or damaged; or
 - b. The requirements in **SECTION IV. C. 1.** are met if "personal property" is lost or damaged.

F. Deductible

1. We will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds the applicable deductible. We will then pay the amount of loss or damage in excess of the deductible, up to the applicable Limit of Insurance, after any applicable deduction required by a coinsurance provision.
2. The deductible shown in the Declarations applies to losses under the following coverages except as otherwise specifically indicated:
 - a. "Real property";
 - b. "Personal property";
 - c. "Loss of income";
 - d. "Extra expense"; and
 - e. All coverages provided under **SECTION II. COVERAGE EXTENSIONS.**
3. If more than one coverage (other than coverage for "earthquake" or "flood") applies to any one occurrence, we will subtract the deductible amount only once. If more than one deductible applies, we will subtract the largest applicable deductible unless indicated otherwise in this coverage part.
4. **Earthquake Deductible.** A special deductible applies to losses caused by or resulting from "earthquake". Refer to the Declarations. When a percentage deductible is shown as applicable to "earthquake", that percentage will be applied to the sum of the "real property" and "personal property" limits shown in the Declarations for each affected "item". If blanket coverage applies, we will determine this sum based on the most recent amounts on file with us for each affected "item". The deductibles determined in accordance with this paragraph shall apply separately to each affected "item".
5. **Flood Deductible.** A special deductible applies to each occurrence caused by or resulting from "flood". Refer to the Declarations. The deductible shown will apply separately to each affected "premises".
6. **Deductible Waiver.** If a loss covered under this coverage part also involves a loss under an Emergency Service Organization Auto, Portable Equipment or other Inland Marine coverage issued to you by us, only one deductible, the largest, will be applied. The deductible under the other policies or coverage parts will be waived.
7. **Glass Deductible Waiver.** If a loss covered under this coverage part is limited to damage to glass that is part of a building and no other property is included in the loss, the policy deductible will be waived.

G. Automatic Inflation Adjustment

1. We will automatically increase your Coverage A and Coverage B limits to keep pace with inflation. We will increase the limits by the annual percentage shown in the Declarations for each "item".
2. The amount of increase will be:
 - a. The limit that applied on the most recent of the policy inception date, the policy anniversary date, or any change amending the Limit of Insurance, multiplied by
 - b. The percentage of annual increase shown in the Declarations, multiplied by
 - c. The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.
3. Where there is a blanket limit for Coverages A and B, the most recent values we used to calculate your premium will be used to separate "real property" and "personal property" values, the separate values will be increased as if they were separate limits, and the results will be added to determine the increase in the blanket limit.

H. Other Conditions Affecting Property Losses

This sub-section explains special rules that apply to valuing some of the property covered by this coverage part. It also gives you important information about payment for losses.

1. **Improvements by a Tenant.** If you are a tenant at a "premises" and property improvements for which you paid are lost or damaged by a "covered cause of loss" at the "premises", we will reimburse you for repairing or replacing them. We will pay their "replacement cost" if you repair or replace them within a reasonable time after the loss at the "premises". But we will not cover repairs or replacements which were made for your use at someone else's expense.
 - a. If you do not repair or replace the covered improvements within a reasonable time at the "premises", we will pay a portion of their original cost. This will be the ratio between:
 - (1) The length of time remaining on your lease at the time of the loss; and
 - (2) The length of time between the making of the improvements and the expiration of the lease.
 - b. If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease.
 - c. If you purchased the interest in the use of improvements made by a previous tenant, we will cover them as if you had paid for them.
2. **Property in Sets.** The loss of an article which is part of a set will not be considered a loss of the entire set. Therefore, if there is loss or damage to property which is part of a set, we will pay a fair portion of the total value of the set.
3. **Parts.** If the loss or damage is to a part of property that consists of several parts, we will pay for only the lost or damaged part.
4. **Exhibitions and Displays.** The most we will pay for exhibitions and displays is the amount that they cost you.

5. **Stock.** "Stock" you have sold but not delivered will be valued at no more than the selling price less discounts and expenses you otherwise would have had.
6. **Glass.** Glass will be valued at the cost of replacement with safety glazing material if required by law.

SECTION V. CONDITIONS

The following apply in addition to the Common Policy Conditions.

1. **Abandonment**

There can be no abandonment of any property to us.

2. **Appraisal**

If we cannot agree with you on the amount of the loss, either of us can demand that the following procedure be used to settle the amount.

- a. You or we will request in writing that the dispute be submitted to appraisal within 60 days from the time we receive your proof of loss. Each will then select an appraiser and notify the other of that choice within 20 days of the initial request.
- b. The appraisers will select an impartial umpire. If they cannot agree on an umpire within 15 days, either you or we can ask that an umpire be appointed by a judge of the court of record in the county where the property is located.
- c. The appraisers will appraise each item for its value at the time of loss and the amount of loss. If they can't agree, they will submit any differences to the umpire. An agreement in writing by any two of these three will determine the amount of the loss.
- d. You will pay your appraiser and we will pay ours. Each will share equally any other costs of the appraisal and the umpire.
- e. We will not surrender our rights by any act we take relating to an appraisal.

3. **Concealment, Misrepresentation or Fraud**

This coverage part is void in any case of fraud by you as it relates to this coverage part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This coverage part;
- b. The covered property;
- c. Your interest in the covered property; or
- d. A claim under this coverage part.

4. **Control of Property**

Any act or neglect of any person other than you, beyond your direction or control, will not affect this insurance.

The breach of any condition of this coverage part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

5. Duties in the Event of Loss or Damage

- a. You must see that the following are done in the event of loss or damage to property insured under this coverage part:
- (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the property from further damage by a "covered cause of loss". If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values, and amount of loss claimed. However, if the total claim for any loss is less than \$10,000, you are not required to provide an inventory of the undamaged property.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records. Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (8) Cooperate with us in the investigation or settlement of the claim.
 - (9) If you intend to continue your "operations", you must resume all or part of them as quickly as possible. If you do not resume your "operations", or do not resume your "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume your "operations" as soon as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

6. Insurance Under Two or More Coverages

If two or more coverages of this coverage part apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

7. Legal Action Against Us

No one may bring a legal action against us under this coverage part unless:

- a. There has been full compliance with all of the terms of this coverage part; and
- b. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

8. Loss Payment

- a. In the event of loss or damage covered by this coverage part, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality.
- b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- c. We will not pay you more than your financial interest in the property.
- d. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the property.
- e. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- f. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss if:
 - (1) You have complied with all of the terms of this coverage part; and
 - (2) We have reached agreement with you on the amount of loss, or an appraisal award has been made.

9. Mortgage Holders

- a. The term mortgage holder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgage holder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgage holder has the right to receive loss payment even if the mortgage holder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this coverage part, the mortgage holder will still have the right to receive loss payment if the mortgage holder:
 - (1) Pays any premium due under this coverage part at our request if you have failed to do so;
 - (2) Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgage holder.

All of the terms of this coverage part will then apply directly to the mortgage holder.

- e. If we pay the mortgage holder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this coverage part:
 - (1) The mortgage holder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgage holder's right to recover the full amount of the mortgage holder's claim will not be impaired.

At our option we may pay to the mortgage holder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this coverage part, we will give written notice to the mortgage holder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this coverage part, we will give written notice to the mortgage holder at least 10 days before the expiration date of this policy.

10. No Benefit to Bailee

No person or organization, other than you, having custody of covered property will benefit from this insurance.

11. Other Insurance

- a. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this coverage part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this coverage part bears to the Limits of Insurance of all insurance covering on the same basis.
- b. If there is other insurance covering the same loss or damage, other than that described in a. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect it or not. But we will not pay more than the applicable Limit of Insurance.

12. Policy Period, Policy Territory

We will cover loss or damage commencing:

- a. During the policy period shown in the Declarations; and
- b. Within the "policy territory".

13. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

14. Transfer of Rights of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this coverage part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your covered property or covered income;
- b. After a loss to your covered property or covered income only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) An organization owned by or controlled by you;

- (3) An organization that owns you or controls you; or
- (4) Your tenant.

This will not restrict your insurance.

15. Coinsurance

If a coinsurance percentage is shown in the Declarations, or in an endorsement attached to this coverage part, for any of your "real property" or "personal property", the following condition applies.

- a. We will not pay the full amount of any loss if the value of the property at the time of loss, multiplied by the coinsurance percentage shown for it, is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

1. Multiply the value of the property at the time of loss by the coinsurance percentage;
2. Divide the Limit of Insurance of the property by the figure determined in step 1.;
3. Multiply the total amount of loss, before the application of any deductible, by the figure determined in step 2.; and
4. Subtract the deductible from the figure determined in step 3.

We will pay the amount determined in step 4. or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

- b. Example (Underinsurance): The value of the property is \$250,000. The coinsurance percentage for it is 90%. The Limit of Insurance for it is \$100,000. The deductible is \$500. The amount of loss is \$40,000.

1. Step (1): $\$250,000 \times 90\% = \$225,000$ (this is the minimum amount of insurance needed to meet your coinsurance requirement)
2. Step (2): $\$100,000 \div \$225,000 = .44$
3. Step (3): $\$40,000 \times .44 = \$17,600$
4. Step (4): $\$17,600 - \$500 = \$17,100$

We will pay no more than \$17,100. The remaining \$22,900 is not covered.

- c. You agree to keep the property insured for a portion of its value. That portion is the coinsurance percentage shown in the Declarations or in an endorsement attached to this coverage part. In computing this amount, we use the property's "replacement cost" or its "actual cash value", whichever is indicated.
- d. We compute the minimum amount of insurance you are required to carry based on the property's value at the time a loss occurs. In determining the property's value for this coinsurance agreement, we do not include the following:
 1. The value of property covered under **SECTION II. COVERAGE EXTENSIONS**;
 2. The value of excavations; or
 3. The value of brick, stone or concrete foundations, including foundations of machinery or boilers, which are below the surface of the building's basement floor. If the building has no basement, we don't include the value of brick, stone, or concrete below the surface of the ground and inside the foundation walls when we compute the value of the building. Nor do we include the value of underground flues, pipes or drains.
- e. If your property is insured for the minimum amount required, this coinsurance agreement won't have any effect on what we will pay for a covered loss. We will pay up to the applicable coverage

limit. But if your property is insured for less than the minimum amount required, we will only pay part of your loss and you must pay the rest.

- f. When coinsurance applies, it will apply separately to each coverage limit for "real property" or "personal property" covered under this policy, unless specifically amended. However, coinsurance will not apply to losses which are less than \$10,000.
- g. When "actual cash value" is indicated as the valuation basis for "real property" or "personal property" in the Declarations or in an endorsement attached to this coverage part, the most we will pay for loss or damage is the smallest of the following:
 1. the coverage limit which applies to that property;
 2. the "actual cash value" of the lost or damaged property; or
 3. the amount which you actually spend to repair or replace the lost or damaged property with property of comparable kind or quality. You may substitute property of a different kind or quality, but we won't pay more than what it would cost to replace the lost or damaged property with property of comparable kind and quality.
- h. When "real property" is insured on a "replacement cost" basis, coinsurance shall apply to paragraph a., but not to paragraphs b. or c., of **Extension 1. Ordinance Coverage**.

SECTION VI. DEFINITIONS

1. "Accounts receivable costs" mean:
 - a. Accounts receivable due to you but which you can't collect;
 - b. Extra collection costs you incur to collect accounts receivable due to you;
 - c. Interest charges on loans you have been required to obtain to compensate for accounts receivable you can't collect when due; and
 - d. Reasonable costs of replacing your accounts receivable records.

"Accounts receivable costs" also include losses or costs you incur if you have to remove accounts receivable records from a "premises" to a place of safety in order to protect them from the threat of a "covered cause of loss". Accounts receivable are amounts owed to you by those with whom you deal.
2. "Actual cash value" is calculated as the amount it would cost to repair or replace the damaged or destroyed property, at the time of loss or damage, with material of like kind and quality, subject to a deduction for deterioration, depreciation and obsolescence. "Actual cash value" applies to the valuation of property regardless of whether that property has sustained partial or total loss or damage. The "actual cash value" of such property may be significantly less than its "replacement cost".
3. "Computer virus" means a computer program or computer code which is entered into your computer system without your knowledge, and which causes a disruption of normal program or computer system operation, but it does not mean an error in design or a programming error.
4. "Covered cause of loss" is defined in **SECTION III. COVERED CAUSES OF LOSS**.
5. "Earthquake" means all earthquake shocks that commence after the inception of this insurance, but "earthquake" does not include the cost of restoring or remediating land.
6. "Emergency situation" means an unexpected situation demanding an immediate official action during an emergency response.

7. "Employees" are people who work for you in the conduct of your ordinary activities, in return for a salary, wages or commissions. In order to be considered an "employee", a person must be subject to your exclusive direction in the performance of his or her activities. Contractors and agents are not considered to be "employees".
8. "Extra expense" means expense you incur during the "period of restoration" over and above your ordinary expenses, which are necessary to avoid or minimize the suspension of your "operations" and return to your normal "operations" after direct physical loss or damage to "real property" or "personal property" at a "premises". "Extra expenses" include expenses you incur to continue your normal "operations" at a temporary location or with substitute equipment. The most we will pay is described under **SECTION IV. WHAT WE WILL PAY**.
9. "Fine arts" means property that is rare or that has historic or artistic value, including antiques, rare articles, etchings, pictures, statuary, marbles, bronzes, porcelains and similar property.
10. "Flood" means a general and temporary condition of partial or complete inundation of normally dry land areas due to:
 - a. The overflow of inland or tidal waters; or
 - b. The unusual or rapid accumulation or runoff of surface waters from any source.

Flooding must commence after the inception of this insurance. If the "flood" is due to the overflow of inland or tidal waters, the "flood" is considered to begin when the water first overflows its banks. With respect to "flood", we will not pay for loss or damage caused by or resulting from the destabilization of land arising from the accumulation of water in subsurface land areas.
11. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
12. "Government activity" means:
 - a. The seizure or destruction of property by any government body, including any customs or quarantine action; or
 - b. Confiscation or destruction of property by order of any government or public authority, except an order to destroy property to prevent the spread of fire or explosion.
13. "Hardware" means computers and their electronic data processing parts and equipment which accept, utilize and process raw information for conversion to machine readable form.
14. "Item" means a building or structure at a "premises".
15. "Loss of income" including rental value means the net income (net profit or loss before income taxes) that would have been earned in your "operations" during the "period of restoration". "Loss of income" includes continuing normal operating expenses incurred, including payroll.
16. "Money" means currency, coins, bank notes, bullion, travelers checks, registered checks and money orders held for sale.
17. "Nuclear activity" means loss from nuclear reaction, nuclear radiation or radioactive contamination, whether deliberate or accidental, controlled or uncontrolled, and whether or not the loss is direct or indirect, proximate or remote, or is contributed to or aggravated by a "covered cause of loss". But it does not include explosion, fire or smoke.
18. "Operations" means:
 - a. Your official activities as an emergency service organization; and
 - b. The tenantability of a "premises", if coverage for "loss of income" applies to rental value.
19. "Period of restoration" means the period of time that:

- a. Begins with the date of direct physical loss or damage caused by or resulting from any "covered cause of loss" at a "premises"; and
- b. Ends at the earliest of:
 - (1) The date when the property is actually repaired or replaced using reasonable speed and similar quality, design, functionality and materials; or
 - (2) The date when the property could have been repaired and your "operations" could have been resumed, if the damaged property had been repaired using similar quality, design, functionality and materials; or
 - (3) Twenty-four consecutive months after the direct physical loss or damage.

"Period of restoration" does not include any increased period required due to the enforcement of any ordinance or law that:

- (1) Requires any insured or others to incur "remediation expenses"; or
- (2) Pertains to "fungus", wet rot, dry rot or bacteria.

The expiration of this policy will not cut short the period of restoration.

20. "Personal effects" means property that belongs to an individual and is devoted primarily to that individual's personal use; for example, clothing, eyeglasses, or individually owned portable firefighting, ambulance, or rescue related equipment. "Personal effects" does not include:

- a. "Money" and "securities";
- b. "Fine arts";
- c. Animals;
- d. Aircraft or its parts, accessories and equipment;
- e. "Watercraft"; or
- f. "Vehicles".

21. "Personal property" means all property used in your "operations", other than "real property", including but not limited to furnishings and equipment, building contents, "hardware", communication systems, base stations and dispatching systems, provided the property is on your "premises" and also provided:

- a. You own the property; or
- b. The property is in your custody or control, and you are responsible for it, even though it belongs to someone else.

"Personal property" also includes the value of your right to use improvements made as a tenant, if you have paid for alterations or additions to any building or structure you don't own. However, these improvements must be at a "premises".

"Personal property" does not include:

- (1) "Personal effects" belonging to you or your volunteers or "employees";
- (2) Animals;
- (3) "Money" and "securities";
- (4) "Valuable papers and records";
- (5) "Accounts receivable costs";

Coverage under Public Employee Dishonesty Coverage Form (Coverage Form O - Blanket Per Loss) only applies in excess of Coverage under Public Employee Dishonesty Coverage Form (Coverage Form P - Blanket per Employee) and therefore does not apply unless payment for the full limit of insurance available in any one "occurrence" has been made under Public Employee Dishonesty Coverage Form (Coverage Form P - Blanket per Employee).
4. The Deductible Amount applicable to the Public Employee Dishonesty Coverage Form (Coverage Form O - Blanket Per Loss) does not apply.

COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is:
 - a. The United States of America (including its territories and possessions);
 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you; or
 - c. Your tenant.

This will not restrict your insurance.

EMERGENCY SERVICE ORGANIZATION PORTABLE EQUIPMENT COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties, and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning.

SECTION I. YOUR PORTABLE EQUIPMENT COVERAGE

Coverage A. Blanket "Portable Equipment."

We will pay for direct physical loss or damage caused by or resulting from any "covered cause of loss" to "portable equipment" owned by you or furnished to you for your regular use. The most we will pay is described under WHAT WE WILL PAY.

Coverage B. Scheduled "Portable Equipment."

We will pay for direct physical loss or damage caused by or resulting from any "covered cause of loss" to "portable equipment" owned by you or furnished to you for your regular use, that is specifically listed in the Declarations or in a schedule attached to this coverage form. The most we will pay is described under WHAT WE WILL PAY.

SECTION II. EXTENSIONS OF PORTABLE EQUIPMENT COVERAGE

This section adds to or extends the coverage under YOUR PORTABLE EQUIPMENT COVERAGE. Each separately numbered provision is referred to as an extension. Except to the extent specifically stated otherwise in an extension:

- (1) each extension is limited to direct physical loss or damage caused by or resulting from any "covered cause of loss;"
- (2) the limits in each extension are in addition to the limits applicable to YOUR PORTABLE EQUIPMENT COVERAGE;
- (3) the limits in each extension apply separately for each occurrence; and
- (4) all other applicable terms and conditions of this coverage form apply to each extension.

Extension 1. "Debris Removal Expenses."

We will pay your "debris removal expenses" if they are reported to us within 180 days after the date of the direct physical loss or damage. The most we will pay in any one occurrence is the greater of:

- (1) 25% of the amount we pay for direct physical loss or damage under Coverage A or Coverage B, before the application of any deductible; or
- (2) \$5,000.

Extension 2. “Personal Effects.”

- a. We will pay for direct physical loss or damage to "personal effects" belonging to your volunteers, "employees," directors, officers or trustees while enroute to, during, and returning from any official duty authorized by you.
- b. We will pay up to the “replacement cost” for lost or damaged “personal effects” belonging to any one volunteer, “employee,” director, officer or trustee under this extension, but not more than the smaller of the following:

- (1) the amount which is actually spent to repair or replace the lost or damaged “personal effects” of comparable kind and quality; or
- (2) the “replacement cost” of the lost or damaged “personal effects.”

The volunteer, “employee,” director, officer or trustee may substitute “personal effects” of a different kind or quality and still comply with the “replacement cost” provision, but we won’t pay more than the cost to repair or replace the lost or damaged “personal effects” with “personal effects” of comparable kind and quality.

- c. This coverage is primary and will apply regardless of any other insurance coverage which may be available to the owner of the "personal effects."
- d. No deductible will apply.

Extension 3. Non-Owned “Portable Equipment.”

- a. We will pay for direct physical loss or damage to "portable equipment" not owned by you and not furnished to you for your regular use, but that is temporarily in your possession, caused by or resulting from any "covered cause of loss."
- b. The most we will pay under this extension in any one occurrence is \$50,000.

Extension 4. “Valuable Papers and Records.”

- a. We will pay the costs you incur in restoring, researching, replacing, or reproducing the "valuable papers and records" associated with your firefighting, ambulance or rescue related activities, when the “valuable papers and records” suffer direct physical loss or damage from a “covered cause of loss,” away from your premises.
- b. We will not pay for:
 - (1) irreplaceable “valuable papers and records,” unless they are specifically described in an endorsement and a limit is shown there;
 - (2) any cost that results directly from processing or copying records;
 - (3) any cost that results from work performed on papers or records, such as filing or binding;
 - (4) loss or damage to computer-based records arising from loss or damage to “software,” or from a “computer virus” or from mechanical breakdown of “hardware”; or
 - (5) loss or damage to “software.”

Extension 5. "Watercraft."

- a. If Coverage A is indicated in the Declarations, we will pay for direct physical loss or damage to "watercraft" or "personal watercraft" owned by you or furnished to you for your regular use, resulting from a "covered cause of loss."
- b. This extension applies to all such "personal watercraft".
- c. This extension applies only to "watercraft" that are either:
 - (1) not powered by a motor or engine; or
 - (2) powered by a motor or combination of motors of 100 horsepower or less, regardless of whether the motor is inboard, outboard, or inboard/outboard.

Extension 6. Newly Acquired "Portable Equipment."

- a. Under Coverage B, Scheduled "Portable Equipment," we will pay for the direct physical loss or damage caused by or resulting from any "covered cause of loss" to newly acquired "portable equipment" similar to that listed in the Declarations or schedule attached to this coverage form.
- b. This automatic extension of coverage will apply for a period of 30 days from the date of acquisition, on a "replacement cost" basis, not to exceed the purchase price of the newly acquired "portable equipment."

SECTION III. COVERED CAUSES OF LOSS

"Covered cause of loss" means any cause of direct physical loss or damage except as excluded below.

Exclusions

This policy does not apply to loss or damage caused by or resulting directly or indirectly from the following causes, or occurring in the following situations. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently with or before, during, or after the loss or damage. But we will cover "resulting fire or explosion" arising out of any of these excluded causes except "war."

- 1. "War."
- 2. "Nuclear activity."
- 3. "Neglect" except when your "portable equipment" is in use in an "emergency situation."
- 4. Dishonest acts or omissions of you or your "employees" or volunteers, or anyone authorized to act for you.
- 5. Mysterious disappearance of property or an inventory shortage.
- 6. "Wear and tear," deterioration, rust, corrosion, marring or scratching, erosion, wet or dry rot, and mold.
- 7. Mechanical breakdown.
- 8. "Inherent vice." Examples of "inherent vice" are the yellowing and cracking of old paper, patina that forms on old bronze and the swelling of wood under moist conditions.

9. "Latent defects."
10. Faulty design, workmanship and material including the cost of correcting any faulty design, workmanship, material, manufacture or installation, alteration, repair or work on covered "portable equipment." But we will cover loss or damage that results from any of these, if the loss or damage occurs in connection with any cause of loss not otherwise excluded by this policy.
11. Asbestos, including loss, damage or "clean-up" resulting from asbestos or asbestos-containing materials unless the damage from asbestos is caused by or results from your "emergency operations" conducted away from premises owned or occupied by you.
12. Pollution or contamination including the actual, alleged or threatened presence, discharge, seepage, migration, release, escape or "clean-up" of "pollutants" unless caused by a "specified cause of loss" or by your "training operations," or by your "emergency operations" conducted away from premises owned or occupied by you.

SECTION IV. WHAT WE WILL PAY

A. Limits of Insurance

1. The most we will pay for loss or damage in any one occurrence is the guaranteed replacement cost for Coverage A, or for Coverage B the applicable Limit of Insurance shown in the Declarations or in an attached schedule.
2. If we pay the limit for any one occurrence, that will not reduce the applicable limit for any future covered loss resulting from an unrelated occurrence.
3. Except to the extent specifically stated otherwise in an extension, the limits in each extension are in addition to the limits applicable to YOUR PORTABLE EQUIPMENT COVERAGE.

B. Deductible

1. We will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds the applicable deductible. We will then pay the amount of loss or damage in excess of the deductible, up to the applicable Limit of Insurance.
2. Deductible Waiver. If a loss covered under this policy also involves a loss under an Emergency Service Organization Commercial Property or Business Auto Policy issued to you by us, only one deductible, the largest, will be applied. The deductible under the other policy or policies will be waived.

C. Coverage A Valuation - Guaranteed Replacement Cost

In the event of loss or damage, we will determine the value of property on a guaranteed replacement cost basis, as follows:

1. We will pay the entire "replacement cost" of the lost or damaged "portable equipment," or the cost to repair or replace the damaged "portable equipment," whichever is smaller, in excess of the deductible, provided you accurately report to us at policy inception and within 30 days after acquisition, the number and "types of vehicles" which carry "portable equipment" owned by you or furnished to you for your regular use.

2. You may substitute "portable equipment" of a different kind or quality, but we won't pay more than the cost to repair or replace the lost or damaged "portable equipment" with "portable equipment" of comparable kind and quality.
3. Our estimated value of the total "replacement cost" of all "portable equipment" is based on the number and "types of vehicles" reported by you which carry "portable equipment" owned by you or furnished to you for your regular use.
4. If you do not accurately report the number and "types of vehicles" set forth in paragraph 1. above, we will determine the most we will pay using the following steps:
 - (a) Calculate the estimated value of your "portable equipment" based on the number and "types of vehicles" you reported to us.
 - (b) Calculate the estimated value of your "portable equipment" had the number and "types of vehicles" been accurately reported to us.
 - (c) Divide the amount calculated in step (a) by the amount calculated in step (b).
 - (d) Multiply the resulting proportion by the total amount of loss.
 - (e) Subtract the applicable deductible.

We will pay the amount determined in step (e). For the remainder of any loss, you will have to rely on other insurance or absorb the loss.

D. Coverage B Valuation - Replacement Cost

In the event of loss or damage, we will determine the value of property under Coverage B as follows:

1. We will pay the "replacement cost" of the lost or damaged "portable equipment" in excess of the deductible, but not more than the smallest of the following:
 - (a) the amount which you actually spend to repair or replace the lost or damaged "portable equipment" with "portable equipment" of comparable kind and quality;
 - (b) the "replacement cost" of the lost or damaged "portable equipment;" or
 - (c) the limit shown in the schedule for each item.
2. You may substitute "portable equipment" of a different kind or quality and still comply with the "replacement cost" provision, but we won't pay more than the cost to repair or replace the lost or damaged "portable equipment" with "portable equipment" of comparable kind and quality.

SECTION V. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we cannot agree with you on the amount of the loss, either of us can demand that the following procedure be used to settle the amount.

- a. You or we will request in writing that the dispute be submitted to appraisal within 60 days from the time we receive your proof of loss. Each will then select an appraiser and notify the other of that choice within 20 days of the initial request.
- b. The appraisers will select an impartial umpire. If they cannot agree on an umpire within 15 days, either you or we can ask that an umpire be appointed by a judge of the court of record in the county where the property is located.
- c. The appraisers will appraise each item for its value at the time of loss and the amount of loss. If they can't agree, they will submit any differences to the umpire. An agreement in writing by any two of these three will determine the amount of the loss.
- d. You will pay your appraiser and we will pay ours. Each will share equally any other costs of the appraisal and the umpire.
- e. We will not surrender our rights by any act we take relating to an appraisal.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to property insured under this policy:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the property from further damage by a "covered cause of loss." If feasible, set the damaged property aside and in the best possible order for examination.

Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.

- (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this policy, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality.
- b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- c. We will not pay you more than your financial interest in the property.
- d. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the property.
- e. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- f. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss if:
 - (1) You have complied with all of the terms of this Coverage Part; and
 - (2)
 - (a) We have reached agreement with you on the amount of loss; or
 - (b) An appraisal award has been made.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

12. Pollution and contamination, which means the presence, release, discharge or dispersal of "pollutants" unless the damage is itself caused by or results from (1) the use of the "watercraft" in an emergency or (2) the activities of governmental authorities acting for the public welfare to prevent or mitigate a pollution incident, or the threat of a pollution incident.

SECTION IV. CONDITIONS

The following conditions apply in addition to the Common Policy Conditions.

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this coverage part.

2. Duties in the Event of an Occurrence, Offense, Medical Incident, Claim or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence", offense or "medical incident" which may result in a claim or "suit". To the extent possible, notice should include:

 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence", offense or "medical incident".

 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- e. If you report an "occurrence", offense or "medical incident" to an insurer providing other than General Liability insurance, which later develops into a General Liability claim covered under this coverage part, failure to report such "occurrence", offense or "medical incident" to us at the time of the "occurrence", offense or "medical incident" shall not be deemed in violation of these conditions. However, you shall give notification to us, as soon as is reasonably possible, that the "occurrence", offense or "medical incident" is a General Liability claim.
- f. Knowledge of an "occurrence", offense or "medical incident" by any of your agents, volunteers or "employees" shall not constitute knowledge by you unless one of your officers or anyone responsible for administering your insurance program has received a notification from the agent, volunteer or "employee".

3. Legal Action Against Us

No person or organization has a right under this coverage part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this coverage part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this coverage part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured volunteer, "employee", elected or appointed officer, director, commissioner, trustee, medical director or owner of commandeered equipment for a loss we cover under **COVERAGES A, B or C** of this form, our insurance is primary, with no consideration or contribution with other insurance, except with respect to any medical malpractice liability insurance available to a physician who is acting on your behalf by providing on-site medical treatment of a person. With respect to said medical malpractice liability insurance, our insurance is excess over that coverage.

If other valid and collectible insurance is available to the insured, other than volunteers, "employees", elected or appointed officers, directors, commissioners, trustees, medical directors or owners of commandeered equipment, for a loss we cover under **COVERAGES A, B or C** of this form, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is fire, extended coverage, builder's risk, installation risk or similar coverage for "your work";
 - (b) That is fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;
 - (d) That is insurance covering your liability for "bodily injury" or "property damage" arising out of the providing, serving or selling of alcoholic beverages to others;
 - (e) That is insurance covering your liability for "bodily injury" or "property damage" arising out of the igniting or discharging of fireworks, including but not limited to firecrackers, aerial or ground displays, in conjunction with any demonstration or show conducted or sponsored by you. However, this coverage shall not be excess should the "bodily injury" or "property damage" result from an emergency response you provide in response to an emergency arising out of fireworks; or
 - (f) If the loss arises out of the maintenance or use of aircraft or watercraft to the extent not subject to exclusion h. of **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY**.

- (2) Any other primary insurance, including pools or self-insurance, covering your liability for damages arising out of the premises or operations for which you have been added as an additional insured.

When this insurance is excess, we will have no duty under **COVERAGES A, B or C** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this excess insurance provision and was not bought specifically to apply in excess of the limits of insurance shown in the Declarations of this coverage part.

c. **Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Representations

By accepting this policy, you agree:

- a. The information in the Declarations is accurate and complete;
- b. The information is based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

Your failure to disclose all hazards existing as of the inception date of the policy shall not prejudice you with respect to the coverage afforded, provided such failure or omission is not intentional. This coverage part is void if any material fact or circumstance relating to this insurance is intentionally omitted or misrepresented.

6. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this coverage part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

7. Transfer of Rights of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this coverage part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

8. When We Do Not Renew

If we decide not to renew this coverage part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date. If notice is mailed, proof of mailing will be sufficient proof of notice.

We will have the right and duty to defend any "suit" seeking those damages. We may, at our discretion, investigate any such offense or "wrongful act" and settle any "claim" or "suit" that may result. However:

If we choose to help you with an investigation, our help will be strictly voluntary, and we may discontinue it at any time. You agree that our help does not admit, confirm, waive, estop, or in any way represent a determination of coverage of any alleged employment related violation.

 - (2) The end of any applicable Extended Reporting Period.

3. A Basic Extended Reporting Period is automatically provided without additional charge. This period starts with the end of the policy period and lasts for sixty days.

The Basic Extended Reporting Period does not apply to "claims" that are covered under any subsequent insurance you purchase, or that would be covered but for exhaustion of the amount of insurance applicable to such "claims".

4. A Supplemental Extended Reporting Period of unlimited duration is available, but only by an endorsement and for an extra charge. This supplemental period starts when the Basic Extended Reporting Period ends.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Supplemental Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words “you” and “your” refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words “we”, “us” and “our” refer to the company providing this insurance. The word “insured” means any person or organization qualifying as such under the “controlling underlying insurance”.

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section IV – Definitions. Other words and phrases that are not defined under this Coverage Part but defined in the “controlling underlying insurance” will have the meaning described in the policy of “controlling underlying insurance”.

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable “controlling underlying insurance”, unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable “controlling underlying insurance”.

There may be more than one “controlling underlying insurance” listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the “controlling underlying insurance” applicable to the particular “event” for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

- a. We will pay on behalf of the insured the “ultimate net loss” in excess of the “retained limit” because of “injury or damage” to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such “injury or damage” when the applicable limits of “controlling underlying insurance” have been exhausted in accordance with the provisions of such “controlling underlying insurance”.

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for “injury or damage”.

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any “event” that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

- (1) The amount we will pay for “ultimate net loss” is limited as described in Section II – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of “controlling underlying insurance” specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.
- b. This insurance applies to “injury or damage” that is subject to an applicable “retained limit”. If any other limit, such as, a sublimit, is specified in the “controlling underlying insurance”, this insurance does not apply to “injury or damage” arising out of that exposure unless that limit is specified in the Declarations under the Schedule of “controlling underlying insurance”.
 - c. If the “controlling underlying insurance” requires, for a particular claim, that the “injury or damage” occur during its policy period in order for that coverage to apply, then this insurance will only apply to that “injury or damage” if it occurs during the policy period of this Coverage Part. If the “controlling underlying insurance” requires that the “event” causing the particular “injury or damage” takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the “event” causing that “injury or damage” takes place during the policy period of this Coverage Part.

- d. Any additional insured under any policy of “controlling underlying insurance” will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any “controlling underlying insurance”.

Additional insured coverage provided by this insurance will not be broader than coverage provided by the “controlling underlying insurance”.

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any “controlling underlying insurance” apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable “controlling underlying insurance”.

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

- (1) First-party physical damage coverage;
- (2) No-fault coverage;
- (3) Personal injury protection or auto medical payments coverage; or
- (4) Uninsured or underinsured motorists coverage.

c. Pollution

- (1) “Injury or damage” which would not have occurred, in whole or in part, but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants at any time.
- (2) Any loss, cost or expense arising out of any:

- (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants; or

- (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, pollutants.

This exclusion does not apply to the extent that valid “controlling underlying insurance” for the pollution liability risks described above exists or would have existed but for the exhaustion of underlying limits for “injury or damage”.

d. Workers’ Compensation And Similar Laws

Any obligation of the insured under a workers’ compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or suits brought, or number of vehicles involved;
 - c. Persons or organizations making claims or bringing suits; or
 - d. Limits available under any “controlling underlying insurance”.
2. The Limits of Insurance of this Coverage Part will apply as follows:
 - a. This insurance only applies in excess of the “retained limit”.
 - b. The Aggregate Limit is the most we will pay for the sum of all “ultimate net loss”, for all “injury or damage” covered under this Coverage Part. However, this Aggregate Limit only applies to “injury or damage” that is subject to an aggregate limit of insurance under the “controlling underlying insurance”.
 - c. Subject to Paragraph 2.b. above, the Each Occurrence Limit is the most we will pay for the sum of all “ultimate net loss” under this insurance because of all “injury or damage” arising out of any one “event”.

d. If the Limits of Insurance of the “controlling underlying insurance” are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

3. If any “controlling underlying insurance” has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the “retained limit” will only be reduced or exhausted by payments made for “injury or damage” covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any “controlling underlying insurance” are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the “controlling underlying insurer” or insured elects not to appeal a judgment in excess of the amount of the “retained limit”, we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured’s estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the “controlling underlying insurer” will not relieve us of our obligations under this Coverage Part.

However, insurance provided under this Coverage Part will not replace any “controlling underlying insurance” in the event of bankruptcy or insolvency of the “controlling underlying insurer”. The insurance provided under this Coverage Part will apply as if the “controlling underlying insurance” were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an “event”, regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

- (1) How, when and where the “event” took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any “injury or damage” arising out of the “event”.

b. If a claim is made or suit is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or suit and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

c. You and any other insured involved must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of “injury or damage” to which this insurance may also apply.

d. No insured will, except at that insured’s own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
- f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

8. Other Insurance

a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

- a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and
- b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION IV – DEFINITIONS

The definitions applicable to any "controlling underlying insurance" also apply to this insurance. In addition, the following definitions apply.

1. "Controlling underlying insurance" means any policy of insurance or self-insurance listed in the Declarations under the Schedule of "controlling underlying insurance".
2. "Controlling underlying insurer" means any insurer who provides any policy of insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

"Ultimate net loss" includes defense expenses if the "controlling underlying insurance" specifies that limits are reduced by defense expenses.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE PART

- A.** The following are added to Paragraph 5. **Cancellation of Section III – Conditions:**

1. Nonpayment of premium;
2. Conviction of the insured of a crime arising out of acts increasing the hazard insured against;
3. Discovery of fraud or material misrepresentation in obtaining the policy or in presenting a claim thereunder;
4. Discovery of an act or omission or a violation of any condition of the policy which occurred after the first effective date of the current policy, and substantially and materially increases the hazard insured against;
5. A material change in the nature or extent of the risk, occurring after the first effective date of the current policy, which causes the risk of loss to be substantially and materially increased beyond that contemplated at the time the policy was issued or last renewed;
6. A determination by the commissioner that continuation of our present volume of premiums would jeopardize our solvency or be hazardous to the interests of our policyholders, creditors or the public;
7. A determination by the commissioner that the continuation of the policy would violate, or place us in violation of, any provision of the code.

ANNIVERSARY CANCELLATION

If this policy is written for a term longer than one year, we may cancel for any reason at an anniversary, by mailing or delivering written notice of cancellation to the first Named Insured at the last mailing address known to us at least 60 days before the anniversary date.

- B.** Paragraph 13. **When We Do Not Renew of Section III – Conditions** is replaced by the following:

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE PART

UNDERLYING CLAIMS-MADE COVERAGE

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE PART

SCHEDULE

| |
|--|
| Retroactive Date: |
| (Enter Date Or "NONE" If No Retroactive Date Applies.) |
| Information required to complete this Schedule, if not shown above, will be shown in the Declarations. |

If any "controlling underlying insurance" is written on a claims-made basis, the following applies to the insurance provided by this Coverage Part which is excess over that underlying insurance:

A. Paragraph 1.c. under Section I – Coverages is replaced by the following:

- c.** If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur on or after the Retroactive Date shown in the Declarations of that insurance in order for that coverage to apply, then this insurance will only apply to that "injury or damage" which occurs on or after the Retroactive Date shown in the Schedule of this endorsement but before the end of the policy period of this Coverage Part. If the "controlling underlying insurance" requires, for a particular claim, that the "event" causing the particular "injury or damage" takes place on or after the Retroactive Date shown in the Declarations of that insurance in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place on or after the Retroactive Date shown in the Schedule of this endorsement but before the end of the policy period of this Coverage Part.

A claim for damages for such "injury or damage" must be first made against the insured during this policy period or any extended reporting period provided under this Coverage Part. A claim will be considered first made under this Coverage Part:

- (1)** When notice of such claim is received and recorded by any insured or by us, whichever comes first, if the "controlling underlying insurance" is written on a claims-made and recorded basis; or
- (2)** When notice of such claim, after being received by any insured, is reported to us in writing, if the "controlling underlying insurance" is written on any other claims-made basis.

B. The following is added to Section II – Limits Of Insurance:

The "retained limit" will only be reduced or exhausted by payments made for:

- (1)** Claims made during the policy period or any Extended Reporting Period of this Coverage Part; or
- (2)** Defense expenses if the limits of "controlling underlying insurance" are reduced by defense expenses for that insurance.

C. The following section is added:

Claims-made Extended Reporting Period

1. Any provisions under the "controlling underlying insurance" relating to an Extended Reporting Period for which a separate premium charge is made do not apply to this insurance, unless an Extended Reporting Period is purchased under this insurance.
2. An Extended Reporting Period, consistent with the terms, conditions and duration of any Extended Reporting Period available in accordance with the terms of any "controlling underlying insurance", will be available for this Coverage Part by endorsement, for an additional charge, if:
 - a. This Policy is cancelled or not renewed; or
 - b. This Policy is renewed or replaced with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Schedule of this endorsement; or
 - (2) Does not apply to "injury or damage" on a claims-made basis.
3. If this Policy and the "controlling underlying insurance" are cancelled or not renewed and an Extended Reporting Period has been provided under the "controlling underlying insurance", then an Extended Reporting Period will be available for this Coverage Part. The Extended Reporting Period available under this Coverage Part will be consistent with the terms, conditions and duration of any Extended Reporting Period provided in accordance with the terms of the "controlling underlying insurance".
4. You must give us a written request for the Extended Reporting Period endorsement under this Coverage Part no later than the time allowed to purchase such endorsement under the "controlling underlying insurance". The Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.
5. We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:
 - a. The exposures insured;
 - b. Previous types and amounts of insurance;
 - c. Limits of Insurance available under this Policy for future payment of damages; and
 - d. Other related factors.
6. If the provisions of the Extended Reporting Period in any "controlling underlying insurance" provide for supplemental aggregate limits of insurance when the Extended Reporting Period is purchased, a supplementary aggregate limit of insurance, equal to the Aggregate Limit shown in the Declarations of this Coverage Part, will apply to claims first made during the Extended Reporting Period if the Extended Reporting Period is purchased for this insurance.

FEDERAL SHARE OF COMPENSATION UNDER TRIA AND CAP ON LOSSES ENDORSEMENT

This endorsement modifies insurance provided by this Policy:

DISCLOSURE

You should know that where coverage is provided by this Policy for losses resulting from "Certified Acts of Terrorism" (as defined by Section 102 (1) of United States Terrorism Risk Insurance Act), such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your Policy may contain other exclusions which might affect your coverage such as, an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits United States Government reimbursement as well as insurers' liability for losses resulting from "Certified Acts of Terrorism" when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion in a calendar year and if we have met our insurer deductible, we are not liable for the payment of any portion of the amount of such losses that exceeds \$100 billion; and for aggregate insured losses up to \$100 billion, we will only pay a pro rata share of such insured losses as determined by the Secretary of the Treasury.

All other terms and conditions of the Policy remain the same.

Authorized Representative

POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE
(COVERAGE INCLUDED)

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term “act of terrorism” means any act that is certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020 of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$_____0_____, and does not include any charges for the portion of losses covered by the United States government under the Act.

Memorandum of Understanding – Lateral Firefighter

This First Memorandum of Understanding (“MOU”) is entered into this 18th day of July 2023, (the “Effective Date”) by and between the East Fork Fire Protection District (the District) and the East Fork Professional Firefighters Association (the Association).

Recitals

Pursuant to NRS Chapter 288, the Fire District and the Association are parties to certain non-supervisor and supervisor collective bargaining agreements, effective, July 1, 2023-June 30, 2026 (the “CBA’s”) as recorded under document number 2023-998391 on July 11, 2023.

The District and the Association desire to enter into this MOU in order to amend and add the addition of Lateral Firefighter language the CBA’s in accordance with the terms set forth below.

Agreement

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

Amendment of CBA – Article 68 of the non-supervisor agreement to include the following language:

A. Eligibility Requirements:

1. 5. Meet the qualifications of the Job Description for the position for which they are applying.
6. All licenses, certifications, and/or qualifications are required to be kept current and maintained for continued employment.
7. Successfully pass a required medical evaluation prior to employment.
8. Successfully pass an oral review board, composed of four (4) Association members including at least one (1) Firefighter/Paramedic and one (1) Captain, and the District Fire Chief or his/her designee.

10. Successfully pass the District's established fire skills test based on current probationary Firefighter job sheets, prior to being offered the position for which they are applying.

Employees hired pursuant to this provision who do not attain Paramedic certification within the required time period will be terminated without cause as if they were an initial probationary employee who did not successfully complete the probationary period.

C. Lateral Firefighter/EMT, Firefighter/EMTA or Firefighter/Paramedic Probation:

1. Newly hired lateral fire suppression employees will spend a minimum of eighty (80) hours, as a forty (40) hour work week employee, to gain administrative, human resource and operational knowledge prior to being assigned to a unit in a safety sensitive position.
2. No probationary employee will be eligible for voluntary or forced overtime or shift trades until the employee has completed EMS and fire related core competencies as determined by the District. 4. Lateral Transfers will serve an initial probation as set forth in Article 61.
5. Once Lateral Transfers have passed their core competencies as established by the District, they will then be eligible to use Annual Leave and participate in trades.

D. Lateral Firefighter/EMT, Firefighter/EMTA or Firefighter/Paramedic Pay:

Employees hired by the District will be assigned to a pay step in the Pay Plan for the position they were hired, which recognizes compensation steps based on a one-year for one-year experience factor. However, any such credit for work experience may not result in assignment to a pay step greater than the fourth (4th) step in the current pay plan. Further step increase will occur on their anniversary date.

Example: A Firefighter/Paramedic with six (6) years' experience will be placed in Step 4 of the Firefighter/Paramedic Pay Plan. A Firefighter/Paramedic with four (4) years' experience will be placed in Step 4 of the Pay Plan.

7. **Background Information:** The District Board has been committed to offering paid leave benefits that are beneficial and competitive for both represented and non-represented staff. This not only fosters equity, but also provides for consistency in the administration of these paid leave benefits, thus reducing confusion and the overall time it takes to administer them.

On May 21, 2019, the District Board approved Policy 606.2 (Annual Leave) for non-represented employees, which aligned with the EFPF Collective Bargaining Agreement in effect at the time. With the approval of the revised Collective Bargaining Agreement on May 16, 2023, and the preceding commitment in mind in terms of equity, the District Administration recommends revisions to Annual Leave Policy 606.2 to change the accrual calculation from an hourly accrual to an accrual by pay period, to increase the maximum annual leave carry over balance from 280 to 360 hours, and to increase the accrual rate consistent with the 40-hour represented staff as follows:

| | |
|-----------------------|-----------------------------|
| 0-4 Completed Years | No Increase |

| 20 years or more | Annual Increase of 40 hours |

These are not mandatory-filled position. The actual cost would be realized in terms of payout upon separation should the employee maintain a maximum accrual balance. This policy is applicable only to non-represented, full-time and part-time employees of the East Fork Fire Protection District.

LEAVE PLAN

606.4 – SICK LEAVE

- 1. Policy Purpose:** To provide policy and procedures regarding sick leave accrual, eligibility, and usage.

Policy Coverage: This policy applies to all non-represented (non-exempt and exempt), full-time and part-time employees of the East Fork Fire Protection District.

Adopted Date: 05/21/2019

Revised Date: 07/18/2023

Policy #: 606.4

***The procedure established in this policy will be superseded and have no effect when covered by a similar or conflicting provision in a Collective Bargaining Agreement. For detailed information, please refer to your Collective Bargaining Agreement. ***

- 2. Policy:**

A. Eligibility for Sick Leave

The District has established a sick leave program to provide regular employees (both full-time and part-time) paid time off if the employee is unable to work due to personal illness, injury, doctor's appointment, bereavement and/or to care for an immediate family member who is ill or injured. Sick leave pay for regular full-time and part-time employees will consist of the employee's regular rate of pay for the period of leave. The established sick leave accrual year is January 1 through December 31 of each year.

"Immediate family" as used in this Policy and defined by Nevada law, including NAC 284.5235, means:

- (1) The employee's parents, spouse, children (regardless of age), brothers, sisters, grandparents, great-grandparents, uncles, aunts, nephews, nieces, grandchildren, great-grandchildren, mother-in-law, father-in-law, daughter-in-law, son-in-law, step-parents and step-children;

(2) If they are living in the employee's household, the employee's grandfather-in-law, grandmother-in-law, great-grandfather-in-law, great-grandmother-in-law, uncle-in-law, aunt-in-law, brother-in-law, sister-in-law, grandson-in-law, granddaughter-in-law, nephew-in-law, niece-in-law, great-grandson-in-law and great-granddaughter-in-law.

(3) The employee's next of kin if the employee is entitled to take leave pursuant to the Family and Medical Leave Act to care for a covered service member; and.

(4) An employee's registered domestic partner as defined by NRS 122A.030.

B. Basis of Accrual

1. The District requires each employee to be available for work on a regular and reliable basis. The District will monitor attendance and leave use whether or not the employee has accumulated leave balances remaining in his or her sick leave account. Sick leave may be used as soon as it is accrued. (NRS 284.355, NAC 284.113, 284.5415)
2. Regular employees not covered by a collective bargaining agreement who are employed on a continuous full-time schedule (40-hours per week), shall accrue sick leave at a rate of 5 hours per pay period (130 hours per year).
3. Regular part-time employees working 21 hours per week or more shall earn sick leave hours at a pro-rated amount based on the number of hours worked.
4. Employees may accrue a maximum of 800 hours of sick leave except that employees who have 800 hours of sick leave accrued as of January 1 of each calendar year may accrue an additional 88 hours during the calendar year which should be used during that calendar year, or the end of the last pay period of the year. Any accrued, unused hours in excess of 800 as of December 31, or the end of the last pay period of the year, will be removed from the employee's account balance by January 15 of the following year.
5. Employees working less than 20 hours per week, and employees hired on an intermittent, seasonal, temporary or emergency basis are not entitled to sick leave and do not accrue sick leave hours.
6. Holidays occurring during Sick Leave periods shall be counted as Holidays, not Sick Leave.

C. Authorized Use of Sick Leave Hours

1. An employee is entitled to use sick leave hours if an absence from work is the result of:
 - a. Personal illness, injury or physical incapacitation due to a medical condition.
 - b. Sickness of an immediate family member.
 - c. Involuntary or enforced quarantine.
 - d. A required personal or immediate family member's medical, psychological, optometry or dental service, appointment or examination.
 - e. Compliance with counseling or treatment through the employee assistance program.
 - f. A death in the immediate family. Sick leave granted because of a death in the immediate family shall not exceed five days (unless a longer period is been authorized by the District Fire Chief or his/her designee).
2. As described in NAC 284.554, a Supervisor, Division Head or the District Fire Chief or his/her designee shall approve a request for sick leave of an employee who is a victim of an act which constitutes domestic violence or whose family or household member is a victim of an act which constitutes domestic violence, and the employee is not the alleged perpetrator if:
 - a. The employee has been employed in public service for at least 90 days;
 - b. The employee has accrued the amount of sick leave necessary to cover the time requested; and

The District has established a sick leave program to provide regular employees (both full-time and part-time) paid time off if the employee is unable to work due to personal illness, injury, doctor's appointment, bereavement and/or to care for an immediate family member who is ill or injured. Sick leave pay for regular full-time and part-time employees will consist of the employee's regular rate of pay for the period of leave. The established sick leave accrual year is January 1 through December 31 of each year.

"Immediate family" as used in this Policy and defined by Nevada law, including NAC 284.5235, means:

(2) If they are living in the employee's household, the employee's grandfather-in-law, grandmother-in-law, great-grandfather-in-law, great-grandmother-in-law, uncle-in-law, aunt-in-law, brother-in-law, sister-in-law, grandson-in-law, granddaughter-in-law, nephew-in-law, niece-in-law, great-grandson-in-law and great-granddaughter-in-law.

Sick leave may be used as soon as it is accrued. (NRS 284.355, NAC 284.113, 284.5415)
2. Regular employees not covered by a collective bargaining agreement who are employed on a continuous full-time schedule (40-hours per week), shall accrue sick leave at a rate of ~~5 .0423~~ hours per pay period (130 hours per year)~~for each hour of time that is classified as "time worked"~~.
3. Regular part-time employees working 21 hours per week or more shall earn sick leave hours at a pro-rated amount based on the number of hours worked.~~(.0423 hours for each regular hour worked).~~
4. Employees may accrue a maximum of 800 hours of sick leave except that employees who have 800 hours of sick leave accrued as of January 1 of each calendar year may accrue an additional 88 hours during the calendar year which should be used during that calendar year, or the end of the last pay period of the year. Any accrued, unused hours in excess of 800 as of December 31, or the end of the last pay period of the year, will be removed from the employee's account balance by January 15 of the following year.
5. Employees working less than 20 hours per week, and employees hired on an intermittent, seasonal, temporary or emergency basis are not entitled to sick leave and- do not accrue sick leave hours.

7. **Background Information:** In June 2023, the Board of Directors approved a contract with 7710 Insurance to provide Worker’s Compensations services. With this contract approval, the District realized savings from the amount that was budgeted for Worker’s Compensation under PACT. The District Administration would like to use the majority of this savings to increase the District’s contingency line item to the full 3% as authorized by state law. With the uncertainty of the economy and possible recession, these funds could be used as a buffer between the amounts budgeted for certain revenues and amounts realized in FY 23/24. The administration recommends approval.
